 3 Representative Glorioso offered the following:

4  
 5 **Substitute Amendment to Amendment No. 1 (with title**  
 6 **amendment)**

7 Between lines 157 and 158, insert:

8 Section 6. Paragraph (a) of subsection (4) of section  
 9 339.135, Florida Statutes, is amended to read:

10 339.135 Work program; legislative budget request;  
 11 definitions; preparation, adoption, execution, and amendment.--

12 (4) FUNDING AND DEVELOPING A TENTATIVE WORK PROGRAM.--

13 (a)1. To assure that no district or county is penalized  
 14 for local efforts to improve the State Highway System, the  
 15 department shall, for the purpose of developing a tentative work  
 16 program, allocate funds for new construction to the districts,  
 17 except for the turnpike enterprise, based on equal parts of  
 18 population and motor fuel tax collections. Funds for  
 19 resurfacing, bridge repair and rehabilitation, bridge fender  
 20 system construction or repair, public transit projects except  
 21 public transit block grants as provided in s. 341.052, and other

22 programs with quantitative needs assessments shall be allocated  
23 based on the results of these assessments. The department may  
24 not transfer any funds allocated to a district under this  
25 paragraph to any other district except as provided in subsection  
26 (7). Funds for public transit block grants shall be allocated to  
27 the districts pursuant to s. 341.052. Funds for the intercity  
28 bus program provided for under s. 5311(f) of the federal  
29 nonurbanized area formula program shall be administered and  
30 allocated directly to eligible bus carriers as defined in s.  
31 341.031(12) at the state level rather than the district. In  
32 order to provide state funding to support the intercity bus  
33 program provided for under provisions of the federal 5311(f)  
34 program, the department shall allocate an amount equal to the  
35 federal share of the 5311(f) program from amounts calculated  
36 pursuant to s. 206.46(3).

37 2. Notwithstanding the provisions of subparagraph 1., the  
38 department shall allocate at least 50 percent of any new  
39 discretionary highway capacity funds to the Florida Strategic  
40 Intermodal System created pursuant to s. 339.61. Any remaining  
41 new discretionary highway capacity funds shall be allocated to  
42 the districts for new construction as provided in subparagraph  
43 1. For the purposes of this subparagraph, the term "new  
44 discretionary highway capacity funds" means any funds available  
45 to the department above the prior year funding level for  
46 capacity improvements, which the department has the discretion  
47 to allocate to highway projects.

48 3. Notwithstanding subparagraph 1. and ss. 206.46(3),  
49 334.044(26), and 339.2819(3) in fiscal year 2008-2009, the  
50 department shall reduce work program levels to balance the

51 finance plan to the revised funding levels resulting from any  
52 reduction in the 2008-09 Special Appropriations Act.

53 4. Prior to any project or phase thereof being deferred,  
54 such reductions shall be made to financial projects not  
55 programmed for contract letting as identified with a work  
56 program contract class code 8 and the box code RV, excluding  
57 reserves for rail corridor development. These reductions shall  
58 not negatively impact safety, preservation, maintenance, or  
59 project contingency levels as of July 1, 2008.
