| 39 | 16008C0 | **REAPPROVAL OF BUDGET AMENDMENT STATEWIDE VOTER REGISTRATION SYSTEM** The Department of State's Division of Elections requests the continuation of $1.2 million in authority for the Grants and Donations Trust Fund. This authority will allow the Division to effectively and accurately support the secure statewide frame relay network for the system and continue the dedicated communications platform that allows for data transactions and exchanges with County Supervisors of Elections. This issue also includes $100,000 for the procurement of services associated with disaster recovery and continuous system operation during peak workload periods. The source of these funds is the federal Help America Vote Act (HAVA). | - | - | - | 1,300,000 | 1.3 | - | - | - | 1,300,000 | 1.3 | - | - | - | 1,300,000 | 1.3 | 39 |

During emergencies, the Sadowski and Easley Buildings provide necessary operational space needs of state, federal, local and private-sector disaster relief and support agencies, but do not currently have provisions for emergency power or air conditioning. This funding will provide for the safe connection of temporary portable power generators and chilled water plants in both buildings, enabling the State Emergency Response Team to continue to support local governments during disasters.
