[Source: Legislative Information Services Division, Office of Legislative Services]

This index embraces all measures introduced in both the House and Senate. The house of origin is identified by the letter preceding each bill: H-House, S-Senate. Senate bills shown in this index include those never received by the House, and their inclusion here is only for the convenience of the user interested in all the legislation introduced in the Legislature on a particular subject.

(**Boldfaced bill numbers passed both houses; boldfaced one-house resolutions were adopted. Chapter number added if entry remains in final version of bill. Some entries shown may have been deleted from final version.**)
