State Representative Bill Heller Appointed To The Education Commission of the States

TALLAHASSEE – State Representative Bill Heller (D-St. Petersburg) will serve on the Education Commission of the States (ECS), under an appointment made by Florida House Speaker Larry Cretul.

The ECS works to help states develop effective policy and practice for public education by providing data, research, analysis and leadership.

“I am honored to be appointed as ECS commissioner for the state of Florida,” said Representative Heller. Education is a very important issue to me and I am ready to represent the state well as I work with my ECS colleagues to improve education throughout the nation.”

As an ECS commissioner, Rep. Bill Heller will work to develop a state strategy for education reform, and promote partnerships between policymakers and the education community. ECS commissioners also serve on advisory committees for ECS projects, programs and initiatives, and participate as a representative at the ECS National Forum.
