The Speaker's Office is responsible for assisting the Speaker in the day-to-day management of Florida's 120-member House of Representatives, including the House's over 500 Tallahassee-based and district employees, its budget, and administration. The Speaker and his staff provide direction and coordination to employees throughout the House and serve the members in carrying out their constitutional responsibilities.
The title Speaker pro tempore, as used by the Florida House, denotes a temporary speaker and is a leadership office with specified duties and responsibilities. Pro tempore is a Latin phrase that translates “for the time being.” In the Florida House, the Speaker pro tempore is elected by his or her fellow Representatives at the Organization Session occurring on the 14th day after the General Election.

The duties of this office are primarily to fill the role of presiding officer of the House in the absence of the Speaker of the House. In the event of an interim vacancy through death, resignation, or disability, the Speaker pro tempore may exercise the authority of the Speaker. The Speaker pro tempore often presides in the Chamber when the Speaker leaves the Chair. Speakers pro tempore are often assigned additional duties as determined by the Speaker of the House.

Once bills pass both houses, they are enrolled and signed by the House and Senate officers for presentation to the Governor. The **House Messages** unit oversees the formal communications that travel between the House and Senate regarding actions taken on bills.
The Journal is required by Art. III, s. 4(c) of the Florida Constitution and is the legal record of the proceedings of the House. The House General Counsel provides legal advice to the Speaker of the House of Representatives and serves at his pleasure. The Speaker has authorized the General Counsel to act on his behalf to protect the interests of the House. House Rule 15.8 provides that a member, when in doubt about the applicability and interpretation of the House Code of Conduct or ethics laws, may request an advisory opinion from the General Counsel.

Additionally, the Speaker has authorized the General Counsel to act on behalf of any member to protect his or her legal interests when those interests relate to the official duties of that member. The House’s Administrative Policy Manual may assign other duties to the General Counsel regarding the interpretation of the terms of that manual. As custom dictates, the General Counsel also consults with House committees, units, and staff with respect to their powers and duties under applicable laws and rules.
