The Speaker's Office is responsible for assisting the Speaker in the day-to-day management of Florida's 120-member House of Representatives, including the House's over 500 Tallahassee-based and district employees, its budget, and administration. The Speaker and his staff provide direction and coordination to employees throughout the House and serve the members in carrying out their constitutional responsibilities.
The title Speaker pro tempore, as used by the Florida House, denotes a temporary speaker and is a leadership office with specified duties and responsibilities. Pro tempore is a Latin phrase that translates “for the time being.” In the Florida House, the Speaker pro tempore is elected by his or her fellow Representatives at the Organization Session occurring on the 14th day after the General Election.

The duties of this office are primarily to fill the role of presiding officer of the House in the absence of the Speaker of the House. In the event of an interim vacancy through death, resignation, or disability, the Speaker pro tempore may exercise the authority of the Speaker. The Speaker pro tempore often presides in the Chamber when the Speaker leaves the Chair. Speakers pro tempore are often assigned additional duties as determined by the Speaker of the House.
The Majority Leader’s Office handles matters related to the interests of the House’s majority party. Particular priority is placed on assisting members in achieving their legislative goals and objectives, providing members with consistent communications support, and communicating the message of the House majority regarding the issues affecting Florida’s future.

The **Clerk of the House** is a nonpartisan, nonpolitical constitutional officer appointed by the Speaker who is responsible for performing all of the ministerial duties of the House. The Clerk's Office includes the Legislative Process and Public Engagement Divisions, along with the Duplicating & Print Services, Graphic Services, and the Photography Units.

The **Records Management** unit is responsible for securing and maintaining all legislation being considered by the House. The unit also receives and accounts for all amendments and handles withdrawal requests of both amendments and bills. During floor action, this unit operates the vote board as well as handling the processing of legislation. This unit maintains a record of administrative actions, keeps historical records, conducts research, and prepares House statistics.

The **Public Engagement Division** directly oversees the Civics Program, and enables students to learn about the legislative process through mock legislative sessions and other educational resources. It also includes the Page & Messenger Program which provides the opportunity for students to observe state government in action during the 60-day regular legislative session.
The Deputy Clerk, with the help of the Assistant Clerk, directly oversees the Legislative Process Division, which consists of the following areas: Calendar, Committee Management, Engrossing & Enrolling, House Bill Actions, House Bill Companion Analysis, House Messages, Journal, Member Management, Records Management, and Verification.

The Calendar unit is responsible for providing the official notification of bills to be considered during session and in committee meetings. The Committee & Member Management unit keeps records of member appointments and biographical information for publication on the House website, MyFloridaHouse.gov, and in the House Calendar and House Journal.

The Engrossing & Enrolling unit incorporates amendments adopted by House or Senate on the floor into House bills. Once bills pass both houses, they are enrolled and signed by the House and Senate officers for presentation to the Governor. The House Messages unit oversees the formal communications that travel between the House and Senate regarding actions taken on bills.
The Journal is required by Art. III, s. 4(c) of the Florida Constitution and is the legal record of the proceedings of the House. The Constitution provides that the first reading of a measure may be met by publication in the Journal. The Journal records formal action that takes place on the House floor, including titles of bills introduced. The Journal is also a record of members' motions and votes on measures, and other business before the Florida House of Representatives.

The Verification unit proofreads all printed materials produced by the Office of the Clerk in order to ensure the accuracy of documents.

The House General Counsel provides legal advice to the Speaker of the House of Representatives and serves at his pleasure. The Speaker has authorized the General Counsel to act on his behalf to protect the interests of the House. House Rule 15.8 provides that a member, when in doubt about the applicability and interpretation of the House Code of Conduct or ethics laws, may request an advisory opinion from the General Counsel.

Additionally, the Speaker has authorized the General Counsel to act on behalf of any member to protect his or her legal interests when those interests relate to the official duties of that member. The House’s Administrative Policy Manual may assign other duties to the General Counsel regarding the interpretation of the terms of that manual. As custom dictates, the General Counsel also consults with House committees, units, and staff with respect to their powers and duties under applicable law and rules.

Debi Robbins
Administrative Lead
