Section 2. Paragraphs (a) and (c) of subsection (1), paragraphs (a) and (c) of subsection (3), paragraphs (a) and (c) of subsection (4), and subsections (5) and (6) of section 491.005, Florida Statutes, are amended to read:

491.005 Licensure by examination.—
(1) CLINICAL SOCIAL WORK.—Upon verification of documentation and payment of a fee not to exceed $200, as set by board rule, plus the actual per applicant cost to the department for purchase of the examination from the American Association of State Social Worker's Boards or a similar national organization, the department shall issue a license as a clinical social worker to an applicant who the board certifies:
   (a) Has submitted an application therefor and paid the appropriate fee.
   (c) Has had at least not less than 2 years of clinical social work experience, which took place subsequent to completion of a graduate degree in social work at an institution meeting the accreditation requirements of this section, under the supervision of a licensed clinical social worker or the equivalent who is a qualified supervisor as determined by the board. An individual who intends to practice in Florida to satisfy clinical experience requirements must register pursuant to s. 491.0045 before prior to commencing practice. If the
applicant's graduate program was not a program which emphasized direct clinical patient or client health care services as described in subparagraph (b)2., the supervised experience requirement must take place after the applicant has completed a minimum of 15 semester hours or 22 quarter hours of the coursework required. A doctoral internship may be applied toward the clinical social work experience requirement. A licensed mental health professional must be on the premises when clinical services are provided by a registered intern in a private practice setting. The experience requirement may be met by work performed on or off the premises of the supervising clinical social worker or the equivalent, provided the off-premises work is not the independent private practice rendering of clinical social work that does not have a licensed mental health professional, as determined by the board, on the premises at the same time the intern is providing services.

(3) MARRIAGE AND FAMILY THERAPY.—Upon verification of documentation and payment of a fee not to exceed $200, as set by board rule, plus the actual cost to the department for the purchase of the examination from the Association of Marital and Family Therapy Regulatory Board, or similar national organization, the department shall issue a license as a marriage and family therapist to an applicant who the board certifies:

(a) Has submitted an application therefor and paid the appropriate fee.

(c) Has had at least not less than 2 years of clinical
experience during which 50 percent of the applicant's clients were receiving marriage and family therapy services, which must be at the post-master's level under the supervision of a licensed marriage and family therapist with at least 5 years of experience, or the equivalent, who is a qualified supervisor as determined by the board. An individual who intends to practice in Florida to satisfy the clinical experience requirements must register pursuant to s. 491.0045 before commencing practice. If a graduate has a master's degree with a major emphasis in marriage and family therapy or a closely related field that did not include all the coursework required under sub-subparagraphs (b)1.a.-c., credit for the post-master's level clinical experience shall not commence until the applicant has completed a minimum of 10 of the courses required under sub-subparagraphs (b)1.a.-c., as determined by the board, and at least 6 semester hours or 9 quarter hours of the course credits must have been completed in the area of marriage and family systems, theories, or techniques. Within the 3 years of required experience, the applicant shall provide direct individual, group, or family therapy and counseling, to include the following categories of cases: unmarried dyads, married couples, separating and divorcing couples, and family groups including children. A doctoral internship may be applied toward the clinical experience requirement. A licensed mental health professional must be on the premises when clinical services are provided by a registered intern in a private practice setting.
The clinical experience requirement may be met by work performed on or off the premises of the supervising marriage and family therapist or the equivalent, provided the off-premise work is not the independent private practice rendering of marriage and family therapy services that does not have a licensed mental health professional, as determined by the board, on the premises at the same time the intern is providing services.

(4) MENTAL HEALTH COUNSELING.—Upon verification of documentation and payment of a fee not to exceed $200, as set by board rule, plus the actual per applicant cost to the department for purchase of the examination from the Professional Examination Service for the National Academy of Certified Clinical Mental Health Counselors or a similar national organization, the department shall issue a license as a mental health counselor to an applicant who the board certifies:

(a) Has submitted an application and paid the appropriate fee.

(c) Has had at least not less than 2 years of clinical experience in mental health counseling, which must be at the post-master's level under the supervision of a licensed mental health counselor or the equivalent who is a qualified supervisor as determined by the board. An individual who intends to practice in Florida to satisfy the clinical experience requirements must register pursuant to s. 491.0045 before or prior to commencing practice. If a graduate has a master's degree with a major related to the practice of mental health counseling that
did not include all the coursework required under sub-
subparagraphs (b)1.a.-b., credit for the post-master's level
clinical experience shall not commence until the applicant has
completed a minimum of seven of the courses required under sub-
subparagraphs (b)1.a.-b., as determined by the board, one of
which must be a course in psychopathology or abnormal
psychology. A doctoral internship may be applied toward the
clinical experience requirement. A licensed mental health
professional must be on the premises when clinical services are
provided by a registered intern in a private practice setting.
The clinical experience requirement may be met by work performed
on or off the premises of the supervising mental health
counselor or the equivalent, provided the off-premises work is
not the independent private practice rendering of services that
does not have a licensed mental health professional, as
determined by the board, on the premises at the same time the
intern is providing services.

(5) INTERNSHIP.—An individual who is registered as an
intern and has satisfied all of the educational requirements for
the profession for which the applicant seeks licensure shall be
certified as having met the educational requirements for
licensure under this section.

(5)(6) RULES.—The board may adopt rules necessary to
implement any education or experience requirement of this
section for licensure as a clinical social worker, marriage and
family therapist, or mental health counselor.
Section 3. This act shall take effect July 1, 2016.
