the insurer obtains the policyholder’s written refusal of
medical payments coverage or written selection of medical
payments coverage at a limit other than $10,000. The rejection
or selection of coverage at a limit other than $10,000 must be
2. No medical payments coverage deductible, unless the insurer obtains the policyholder’s written selection of a deductible of up to $500. The selection of a deductible must be made on a form approved by the office.

(d) 1. The forms in subparagraphs (c) 1. and 2. must fully advise the applicant of the nature of the coverage being rejected or the policy limit or deductible being selected. If the form is signed by a named insured, it is conclusively presumed that there was an informed, knowing rejection of the coverage or election of the policy limit or deductible selected.

2. Unless the policyholder requests in writing the coverage specified in this section, it need not be provided in or supplemental to any other policy that renews, insures, extends, changes, supersedes, or replaces an existing policy if the policyholder has rejected the coverage specified in this section or has selected an alternative coverage limit or deductible. At least annually, the insurer shall provide the policyholder with a notice of the availability of such coverage in a form approved by the office. The notice must be part of, and attached to, the notice of premium and must provide for a means to allow the insured to request medical payments coverage at the limits and deductibles required to be offered under this section. The notice must be given in a manner approved by the office. Receipt of this notice does not constitute an affirmative waiver of the insured’s right to medical payments coverage if the insured has not signed a selection or rejection form.

(e) This section may not be construed to limit any other coverage made available by an insurer.
20-00132C-20

(2) Upon receiving notice of an accident that is potentially covered by medical payments coverage benefits, the insurer must reserve $5,000 of medical payments coverage benefits for payment to physicians licensed under chapter 458 or chapter 459 or dentists licensed under chapter 466 who provide emergency services and care, as defined in s. 395.002, or who provide hospital inpatient care. The amount required to be held in reserve may be used only to pay claims from such physicians or dentists until 30 days after the date the insurer receives notice of the accident. After the 30-day period, any amount of the reserve for which the insurer has not received notice of such claims may be used by the insurer to pay other claims. This subsection does not require an insurer to establish a claim reserve for insurance accounting purposes.

(3) An insurer providing medical payments coverage benefits may not have a:

(a) Lien on any recovery in tort by judgment, settlement, or otherwise for medical payments coverage benefits, whether suit has been filed or settlement has been reached without suit; or

(b) Cause of action against a person to whom or for whom medical payments coverage benefits were paid, except when medical payments coverage benefits are paid by reason of fraud the person commits.

(4) An insurer providing medical payments coverage may include provisions in its policy allowing for subrogation for medical payments benefits paid if the expenses giving rise to the payments were caused by the wrongful act or omission of another who is not also an insured under the policy paying the
medical payments benefits. However, this subrogation right is
inferior to the rights of the injured insured and is available
only after all the insured’s damages are recovered and the
insured is made whole. An insured who obtains a recovery from a
third party of the full amount of the damages sustained and
delivers a release or satisfaction that impairs a medical
payments insurer’s subrogation right is liable to the insurer
for repayment of medical payments benefits less any expenses of
acquiring the recovery, including a prorated share of attorney
fees and costs, and shall hold that net recovery in trust to be
delivered to the medical payments insurer. The insurer may not
include any provision in its policy allowing for subrogation for
any death benefit paid.

Section 42. Subsections (1) and (7) of section 627.727, Florida Statutes, are amended to read:
627.727 Motor vehicle insurance; uninsured and underinsured
vehicle coverage; insolvent insurer protection.—
(1) A motor vehicle liability insurance policy that
which provides bodily injury liability coverage may not shall be
delivered or issued for delivery in this state with respect to
any specifically insured or identified motor vehicle registered
or principally garaged in this state, unless uninsured motor
vehicle coverage is provided therein or supplemental thereto for
the protection of persons insured thereunder who are legally
entitled to recover damages from owners or operators of
uninsured motor vehicles because of bodily injury, sickness, or
disease, including death, resulting therefrom. However, the
coverage required under this section is not applicable if when,
or to the extent that, an insured named in the policy makes a
If a motor vehicle is leased for a period of 1 year or longer and the lessor of such vehicle, by the terms of the lease contract, provides liability coverage on the leased vehicle, the lessee of such vehicle shall have the sole privilege to reject uninsured motorist coverage or to select lower limits than the bodily injury liability limits, regardless of whether the lessor is qualified as a self-insurer pursuant to s. 324.171. Unless an insured, or a lessee having the privilege of rejecting uninsured motorist coverage, requests such coverage or requests higher uninsured motorist limits in writing, the coverage or such higher uninsured motorist limits need not be provided in or supplemental to any other policy which renews, extends, changes, supersedes, or replaces an existing policy with the same bodily injury liability limits when an insured or lessee had rejected the coverage. When an insured or lessee has initially selected limits of uninsured motorist coverage lower than her or his bodily injury liability limits, higher limits of uninsured motorist coverage need not be provided in or supplemental to any other policy which renews, extends, changes, supersedes, or replaces an existing policy with the same bodily injury liability limits unless an insured requests higher uninsured motorist coverage in writing. The rejection or selection of lower limits must be made on a form approved by the office. The form must fully advise the applicant of the nature of the coverage and state that the coverage is equal to bodily injury liability limits unless lower limits are requested or the coverage is rejected. The heading of the form must be in 12-point bold type and
must shall state: “You are electing not to purchase certain valuable coverage that which protects you and your family or you are purchasing uninsured motorist limits less than your bodily injury liability limits when you sign this form. Please read carefully.” If this form is signed by a named insured, it will be conclusively presumed that there was an informed, knowing rejection of coverage or election of lower limits on behalf of all insureds. The insurer shall notify the named insured at least annually of her or his options as to the coverage required by this section. Such notice must shall be part of, and attached to, the notice of premium, must shall provide for a means to allow the insured to request such coverage, and must shall be given in a manner approved by the office. Receipt of this notice does not constitute an affirmative waiver of the insured’s right to uninsured motorist coverage if where the insured has not signed a selection or rejection form. The coverage described under this section must shall be over and above, but may shall not duplicate, the benefits available to an insured under any workers’ compensation law, personal injury protection benefits, disability benefits law, or similar law; under any automobile medical payments expense coverage; under any motor vehicle liability insurance coverage; or from the owner or operator of the uninsured motor vehicle or any other person or organization jointly or severally liable together with such owner or operator for the accident, and such coverage must shall cover the difference, if any, between the sum of such benefits and the damages sustained, up to the maximum amount of such coverage provided under this section. The amount of coverage available under this section may shall not be reduced by a setoff against
any coverage, including liability insurance. Such coverage does not inure directly or indirectly to the benefit of any workers’ compensation or disability benefits carrier or any person or organization qualifying as a self-insurer under any workers’ compensation or disability benefits law or similar law.

(7) The legal liability of an uninsured motorist coverage insurer includes damages in tort for pain, suffering, disability or physical impairment, disfigurement, mental anguish, and inconvenience, and the loss of capacity for the enjoyment of life experienced in the past and to be experienced in the future unless the injury or disease is described in one or more of paragraphs (a)–(d) of s. 627.737(2).

Section 43. Subsection (1) and paragraphs (a) and (b) of subsection (2) of section 627.7275, Florida Statutes, are amended to read:

627.7275 Motor vehicle liability.—

(1) A motor vehicle insurance policy providing personal injury protection as set forth in s. 627.736 may not be delivered or issued for delivery in this state for a with respect to any specifically insured or identified motor vehicle registered or principally garaged in this state must provide bodily injury liability coverage and unless the policy also provides coverage for property damage liability coverage as required under s. 324.022.

(2)(a) Insurers writing motor vehicle insurance in this state shall make available, subject to the insurers’ usual underwriting restrictions:

1. Coverage under policies as described in subsection (1) to an applicant for private passenger motor vehicle insurance
coverage who is seeking the coverage in order to reinstate the
applicant’s driving privileges in this state if the driving
privileges were revoked or suspended pursuant to s. 316.646 or
s. 324.0221 due to the failure of the applicant to maintain
required security.

2. Coverage under policies as described in subsection (1),
which includes bodily injury also provides liability coverage
and property damage liability coverage, for bodily injury,

of s. 324.151, to an applicant for private passenger motor
vehicle insurance coverage who is seeking the coverage in order
to reinstate the applicant’s driving privileges in this state
after such privileges were revoked or suspended under s. 316.193
or s. 322.26(2) for driving under the influence.

(b) The policies described in paragraph (a) must shall be
issued for at least 6 months and, as to the minimum coverages
required under this section, may not be canceled by the insured
for any reason or by the insurer after 60 days, during which
period the insurer is completing the underwriting of the policy.

After the insurer has completed underwriting the policy, the
insurer shall notify the Department of Highway Safety and Motor
Vehicles that the policy is in full force and effect and is not
cancelable for the remainder of the policy period. A premium
must shall be collected and the coverage is in effect for the
60-day period during which the insurer is completing the
underwriting of the policy, whether or not the person’s driver
license, motor vehicle tag, and motor vehicle registration are in effect. Once the noncancelable provisions of the policy become effective, the bodily injury liability and property damage liability coverages for bodily injury, property damage, and personal injury protection may not be reduced below the minimum limits required under s. 324.021 or s. 324.023 during the policy period.

Section 44. Effective upon this act becoming a law, section 627.7278, Florida Statutes, is created to read:

627.7278 Applicability and construction; notice to policyholders.—
(1) As used in this section, the term “minimum security requirements” means security that enables a person to respond in damages for liability on account of crashes arising out of the ownership, maintenance, or use of a motor vehicle, in the amounts required by s. 324.021(7).
(2) Effective January 1, 2021:
(a) Motor vehicle insurance policies issued or renewed on or after that date may not include personal injury protection.
(b) All persons subject to s. 324.022, s. 324.032, s. 627.7415, or s. 627.742 must maintain at least minimum security requirements.
(c) Any new or renewal motor vehicle insurance policy delivered or issued for delivery in this state must provide coverage that complies with minimum security requirements.
(d) An existing motor vehicle insurance policy issued before that date which provides personal injury protection and property damage liability coverage that meets the requirements of s. 324.022 on December 31, 2020, but which does not meet
minimum security requirements on or after January 1, 2021, is
deemed to meet the security requirements of s. 324.022 until
such policy is renewed, nonrenewed, or canceled on or after
January 1, 2021. Sections 627.730-627.7405, 400.9905, 400.991,
456.057, 456.072, 627.7263, 627.727, 627.748, 627.9541(1)(i),
and 817.234, Florida Statutes 2019, remain in full force and
effect for motor vehicle accidents covered under a policy issued
under the Florida Motor Vehicle No-Fault Law before January 1,
2021, until the policy is renewed, nonrenewed, or canceled.

(3) Each insurer shall allow each insured who has a new or
renewal policy providing personal injury protection which
becomes effective before January 1, 2021, and whose policy does
not meet minimum security requirements on or after January 1,
2021, to change coverages so as to eliminate personal injury
protection and obtain coverage providing minimum security
requirements, which shall be effective on or after January 1,
2021. The insurer is not required to provide coverage complying
with minimum security requirements in such policies if the
insured does not pay the required premium, if any, by January 1,
2021, or such later date as the insurer may allow. The insurer
must also offer each insured medical payments coverage pursuant
to s. 627.7265. Any reduction in the premium must be refunded by
the insurer. The insurer may not impose on the insured an
additional fee or charge that applies solely to a change in
coverage; however, the insurer may charge an additional required
premium that is actuarially indicated.

(4) By September 1, 2020, each motor vehicle insurer shall
provide notice of this section to each motor vehicle
policyholder who is subject to this section. The notice is
subject to approval by the office and must clearly inform the
policyholder that:

(a) The Florida Motor Vehicle No-Fault Law is repealed
effective January 1, 2021, and that on or after that date, the
insured is no longer required to maintain personal injury
protection insurance coverage, that personal injury protection
coverage is no longer available for purchase in this state, and
that all new or renewal policies issued on or after that date
will not contain that coverage.

(b) Effective January 1, 2021, a person subject to the
financial responsibility requirements of s. 324.022 must
maintain minimum security requirements that enable the person to
respond to damages for liability on account of accidents arising
out of the use of a motor vehicle in the following amounts:

1. Twenty-five thousand dollars for bodily injury to, or
the death of, one person in any one crash and, subject to such
limits for one person, in the amount of $50,000 for bodily
injury to, or the death of, two or more persons in any one

2. Ten thousand dollars for damage to, or destruction of,
the property of others in any one crash.

(c) Bodily injury liability coverage protects the insured,
up to the coverage limits, against loss if the insured is
legally responsible for the death of or bodily injury to others
in a motor vehicle accident.

(d) Effective January 1, 2021, each policyholder of motor
vehicle liability insurance purchased as proof of financial
responsibility must be offered medical payments coverage
benefits that comply with s. 627.7265. The insurer must offer
medical payments coverage at limits of $5,000 and $10,000 without a deductible. The insurer may also offer medical payments coverage at other limits greater than $5,000, and may offer coverage with a deductible of up to $500. Medical payments coverage pays covered medical expenses, up to the limits of such coverage, for injuries sustained in a motor vehicle crash by the named insured, resident relatives, persons operating the insured motor vehicle, passengers in the insured motor vehicle, and persons who are struck by the insured motor vehicle and suffer bodily injury while not an occupant of a self-propelled motor vehicle as provided in s. 627.7265. Medical payments coverage pays for reasonable expenses for necessary medical, diagnostic, and rehabilitative services that are lawfully provided, supervised, ordered, or prescribed by a physician licensed under chapter 458 or chapter 459, by a dentist licensed under chapter 466, or by a chiropractic physician licensed under chapter 460 or that are provided in a hospital or in a facility that owns, or is wholly owned by, a hospital. Medical payments coverage also provides a death benefit of at least $5,000.

(e) The policyholder may obtain uninsured and underinsured motorist coverage, which provides benefits, up to the limits of such coverage, to a policyholder or other insured entitled to recover damages for bodily injury, sickness, disease, or death resulting from a motor vehicle accident with an uninsured or underinsured owner or operator of a motor vehicle.

(f) If the policyholder’s new or renewal motor vehicle insurance policy is effective before January 1, 2021, and contains personal injury protection and property damage liability coverage as required by state law before January 1,
2021, but does not meet minimum security requirements on or
after January 1, 2021, the policy is deemed to meet minimum
security requirements until it is renewed, nonrenewed, or
canceled on or after January 1, 2021.

(g) A policyholder whose new or renewal policy becomes
effective before January 1, 2021, but does not meet minimum
security requirements on or after January 1, 2021, may change
coverages under the policy so as to eliminate personal injury
protection and to obtain coverage providing minimum security
requirements, including bodily injury liability coverage, which
are effective on or after January 1, 2021.

(h) If the policyholder has any questions, he or she should
contact the person named at the telephone number provided in the
notice.

Section 45. Paragraph (a) of subsection (1) of section
627.728, Florida Statutes, is amended to read:

627.728 Cancellations; nonrenewals.—
(1) As used in this section, the term:
(a) “Policy” means the bodily injury and property damage
liability, personal injury protection, medical payments,
comprehensive, collision, and uninsured motorist coverage
portions of a policy of motor vehicle insurance delivered or
issued for delivery in this state:
1. Insuring a natural person as named insured or one or
more related individuals who are residents resident of the same
household; and
2. Insuring only a motor vehicle of the private passenger
type or station wagon type which is not used as a public or
livery conveyance for passengers or rented to others; or
insuring any other four-wheel motor vehicle having a load capacity of 1,500 pounds or less which is not used in the occupation, profession, or business of the insured other than farming; other than any policy issued under an automobile insurance assigned risk plan or covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards.

The term “policy” does not include a binder as defined in s. 627.420 unless the duration of the binder period exceeds 60 days.

Section 46. Subsection (1), paragraph (a) of subsection (5), and subsections (6) and (7) of section 627.7295, Florida Statutes, are amended to read:

627.7295 Motor vehicle insurance contracts.—
(1) As used in this section, the term:
(a) “Policy” means a motor vehicle insurance policy that provides bodily injury liability personal injury protection coverage and, property damage liability coverage, or both.

(5)(a) A licensed general lines agent may charge a per-policy fee of up to not to exceed $10 to cover the administrative costs of the agent associated with selling the motor vehicle insurance policy if the policy covers only bodily injury liability coverage personal injury protection coverage as provided by s. 627.736 and property damage liability coverage as provided by s. 627.7275 and if no other insurance is sold or
issued in conjunction with or collateral to the policy. The fee
is not considered part of the premium.

(6) If a motor vehicle owner’s driver license, license
plate, and registration have previously been suspended pursuant
to s. 316.646 or s. 627.733, an insurer may cancel a new policy
only as provided in s. 627.7275.

(7) A policy of private passenger motor vehicle insurance
or a binder for such a policy may be initially issued in this
state only if, before the effective date of such binder or
policy, the insurer or agent has collected from the insured an
amount equal to at least 1 month’s premium. An insurer, agent,
or premium finance company may not, directly or indirectly, take
any action that results in the insured paying having paid from the insured’s own funds an amount less than the 1
month’s premium required by this subsection. This subsection
applies without regard to whether the premium is financed by a
premium finance company or is paid pursuant to a periodic
payment plan of an insurer or an insurance agent.

(a) This subsection does not apply:
1. If an insured or member of the insured’s family is
renewing or replacing a policy or a binder for such policy
written by the same insurer or a member of the same insurer
group. This subsection does not apply
2. To an insurer that issues private passenger motor
vehicle coverage primarily to active duty or former military
personnel or their dependents. This subsection does not apply
3. If all policy payments are paid pursuant to a payroll

1. All policy payments to an insurer are paid pursuant to an automatic electronic funds transfer payment plan from an agent, a managing general agent, or a premium finance company and if the policy includes, at a minimum, bodily injury liability coverage and personal injury protection pursuant to ss. 627.730-627.7405; motor vehicle property damage liability coverage pursuant to s. 627.7275; or bodily injury liability in at least the amount of $10,000 because of bodily injury to, or death of, one person in any one accident and in the amount of $20,000 because of bodily injury to, or death of, two or more persons in any one accident. This subsection and subsection (4) do not apply if

2. An insured has had a policy in effect for at least 6 months, the insured’s agent is terminated by the insurer that issued the policy, and the insured obtains coverage on the policy’s renewal date with a new company through the terminated agent.

Section 47. Section 627.7415, Florida Statutes, is amended to read:

627.7415 Commercial motor vehicles; additional liability insurance coverage.—Beginning January 1, 2021, commercial motor vehicles, as defined in s. 207.002 or s. 320.01, operated upon the roads and highways of this state must be insured with the following minimum levels of combined bodily liability insurance and property damage liability insurance in addition to any other insurance requirements:

1. Sixty thousand dollars per occurrence for a
commercial motor vehicle with a gross vehicle weight of 26,000 pounds or more, but less than 35,000 pounds.

Section 48. Section 627.747, Florida Statutes, is created to read:

627.747 Named driver exclusion.—

(1) A private passenger motor vehicle policy may exclude an identified individual from the following coverages while the identified individual is operating a motor vehicle, provided that the identified individual is specifically excluded by name on the declarations page or by endorsement, and the policyholder consents in writing to the exclusion:

(a) Property damage liability coverage.

(b) Bodily injury liability coverage.

(c) Uninsured motorist coverage for any damages sustained by the identified excluded individual, if the policyholder has
purchased such coverage.

(d) Any coverage the policyholder is not required by law to purchase.

(2) A private passenger motor vehicle policy may not exclude coverage when:

(a) The identified excluded individual is injured while not operating a motor vehicle;

(b) The exclusion is unfairly discriminatory under the Florida Insurance Code, as determined by the office; or

(c) The exclusion is inconsistent with the underwriting rules filed by the insurer pursuant to s. 627.0651(13)(a).

Section 49. Paragraphs (b), (c), and (g) of subsection (7) and paragraphs (a) and (b) of subsection (8) of section 627.748, Florida Statutes, are amended to read:

627.748 Transportation network companies.—

(7) TRANSPORTATION NETWORK COMPANY AND TNC DRIVER INSURANCE REQUIREMENTS.—

(b) The following automobile insurance requirements apply while a participating TNC driver is logged on to the digital network but is not engaged in a prearranged ride:

1. Automobile insurance that provides:

   a. A primary automobile liability coverage of at least $50,000 for death and bodily injury per person, $100,000 for death and bodily injury per incident, and $25,000 for property damage; and

   b. Personal injury protection benefits that meet the minimum coverage amounts required under ss. 627.730-627.7405;

   c. Uninsured and underinsured vehicle coverage as required
2. The coverage requirements of this paragraph may be satisfied by any of the following:
   a. Automobile insurance maintained by the TNC driver;
   b. Automobile insurance maintained by the TNC; or
   c. A combination of sub-subparagraphs a. and b.

   (c) The following automobile insurance requirements apply while a TNC driver is engaged in a prearranged ride:
      1. Automobile insurance that provides:
         a. A primary automobile liability coverage of at least $1 million for death, bodily injury, and property damage; and
         b. Personal injury protection benefits that meet the minimum coverage amounts required of a limousine under ss. 627.730-627.7405; and
         e. Uninsured and underinsured vehicle coverage as required by s. 627.727.
      2. The coverage requirements of this paragraph may be satisfied by any of the following:
         a. Automobile insurance maintained by the TNC driver;
         b. Automobile insurance maintained by the TNC; or
         c. A combination of sub-subparagraphs a. and b.

   (g) Insurance satisfying the requirements under this subsection is deemed to satisfy the financial responsibility requirement for a motor vehicle under chapter 324 and the security required under s. 627.733 for any period when the TNC driver is logged onto the digital network or engaged in a prearranged ride.

   (8) TRANSPORTATION NETWORK COMPANY AND INSURER; DISCLOSURE; EXCLUSIONS.—
(a) Before a TNC driver is allowed to accept a request for a prearranged ride on the digital network, the TNC must disclose in writing to the TNC driver:

1. The insurance coverage, including the types of coverage and the limits for each coverage, which the TNC provides while the TNC driver uses a TNC vehicle in connection with the TNC’s digital network.

2. That the TNC driver’s own automobile insurance policy might not provide any coverage while the TNC driver is logged on to the digital network or is engaged in a prearranged ride, depending on the terms of the TNC driver’s own automobile insurance policy.

3. That the provision of rides for compensation which are not prearranged rides subjects the driver to the coverage requirements imposed under s. 324.032(1) and (2) and that failure to meet such coverage requirements subjects the TNC driver to penalties provided in s. 324.221, up to and including a misdemeanor of the second degree.

(b)1. An insurer that provides an automobile liability insurance policy under this part may exclude any and all coverage afforded under the policy issued to an owner or operator of a TNC vehicle while driving that vehicle for any loss or injury that occurs while a TNC driver is logged on to a digital network or while a TNC driver provides a prearranged ride. Exclusions imposed under this subsection are limited to coverage while a TNC driver is logged on to a digital network or while a TNC driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage included in an automobile insurance policy, including, but not limited to:
a. Liability coverage for bodily injury and property 
damage;

b. Uninsured and underinsured motorist coverage;

c. Medical payments coverage;

d. Comprehensive physical damage coverage; and

e. Collision physical damage coverage; and

f. Personal injury protection.

2. The exclusions described in subparagraph 1. apply 
notwithstanding any requirement under chapter 324. These 
exclusions do not affect or diminish coverage otherwise 
available for permissive drivers or resident relatives under the 
personal automobile insurance policy of the TNC driver or owner 
of the TNC vehicle who are not occupying the TNC vehicle at the 
time of loss. This section does not require that a personal 
automobile insurance policy provide coverage while the TNC 
driver is logged on to a digital network, while the TNC driver 
is engaged in a prearranged ride, or while the TNC driver 
otherwise uses a vehicle to transport riders for compensation.

3. This section must not be construed to require an insurer 
to use any particular policy language or reference to this 
section in order to exclude any and all coverage for any loss or 
injury that occurs while a TNC driver is logged on to a digital 
network or while a TNC driver provides a prearranged ride.

4. This section does not preclude an insurer from providing 
primary or excess coverage for the TNC driver’s vehicle by 
contract or endorsement.

Section 50. Paragraph (a) of subsection (2) of section 
627.749, Florida Statutes, is amended to read:

627.749 Autonomous vehicles; insurance requirements.–
(2) INSURANCE REQUIREMENTS.—

(a) A fully autonomous vehicle with the automated driving system engaged while logged on to an on-demand autonomous vehicle network or engaged in a prearranged ride must be covered by a policy of automobile insurance which provides:

2. Personal injury protection benefits that meet the minimum coverage amounts required under ss. 627.730-627.7405.

3. Uninsured and underinsured vehicle coverage as required by s. 627.727.
