401.465 911 emergency dispatcher certification.--
(1) DEFINITIONS.--As used in this section, the term:
(a) "911 emergency dispatcher" means a person employed by
a state agency or local government as a public safety dispatcher
or 911 operator whose duties and responsibilities include
answering 911 calls; dispatching law enforcement officers, fire
rescue services, emergency medical services, and other public
safety services to the scene of an emergency; providing real-
time information from federal, state, and local crime databases;
or supervising or serving as the command officer to a person or
persons having such duties and responsibilities. However, the
term does not include administrative support personnel,
including, but not limited to, those whose primary duties and
responsibilities are in accounting, purchasing, legal, and
personnel.

(b) "Department" means the Department of Health.

(2) PERSONNEL; STANDARDS AND CERTIFICATION.--
(a) The department shall establish by rule educational and
training criteria for the certification and recertification of
911 emergency dispatchers. Such rules must include, but need not
be limited to, the following requirements:

1. Any person who desires to be certified or recertified
as a 911 emergency dispatcher shall apply to the department
under oath on forms provided by the department which shall
contain such information as the department reasonably requires
and may include affirmative evidence of the applicant's ability
to comply with applicable laws and rules.

2. The department shall determine whether the applicant
meets the requirements specified in this section and in rules of
the department and shall issue a certificate to any person who
meets such requirements.
(b) An applicant for certification or recertification as a 911 emergency dispatcher shall:

(c) The department shall establish by rule a procedure for the biennial renewal certification of 911 emergency dispatchers.

(d) Each 911 emergency dispatcher certificate expires automatically if not renewed and may be renewed if the holder meets the qualifications for renewal as established by the department. A certificate that is not renewed at the end of the 2-year period automatically reverts to an inactive status for a period that may not exceed 180 days. Such certificate may be reactivated and renewed within the 180-day period if the certificateholder meets all other qualifications for renewal and pays a $50 late fee. Reactivation shall be in a manner and on forms prescribed by department rule.

(e) The department may suspend or revoke a certificate at
any time if it determines that the certificateholder does not meet the applicable qualifications.

(f) A certificateholder may request that his or her 911 emergency dispatcher certificate be placed on inactive status by applying to the department before his or her current certification expires and paying a fee set by the department which may not exceed $100.

1. A certificateholder whose certificate has been on inactive status for 1 year or less may renew his or her certificate pursuant to the rules adopted by the department and upon payment of a renewal fee set by the department which may not exceed $100.

2. A certificateholder whose certificate has been on inactive status for more than 1 year may renew his or her certificate pursuant to rules adopted by the department.

3. A certificate that has been inactive for more than 6 years automatically expires and may not be renewed.

(3) FEES.--

(a) The fee for application for the 911 emergency dispatcher original certificate is $75.

(b) The application fee for the 911 emergency dispatcher biennial renewal certificate is $100.

(c) Fees collected under this section shall be deposited into the Emergency Medical Services Trust Fund and used solely for salaries and expenses of the department incurred in administering this section.

(d) If a certificate issued under this section is lost or destroyed, the person to whom the certificate was issued may,
upon payment of a fee set by the department which may not exceed $25, obtain a duplicate or substitute certificate.

(e) Upon surrender of the original 911 emergency dispatcher certificate and receipt of a replacement fee set by the department which may not exceed $25, the department shall issue a replacement certificate to make a change in name.

Section 2. This act shall take effect October 1, 2008.
