The second judgment lien is a new judgment lien and not a continuation of the original judgment lien. The second judgment lien permanently lapses and becomes invalid 5 years after its filing date, and no additional liens based on the original judgment or any judgment based on the original judgment may be acquired.

(6) If a second judgment lien is not filed, the Department of State shall maintain each judgment lien file and all information contained therein for a minimum of 1 year after the judgment lien lapses in accordance with this section. If a second judgment lien is filed, the department shall maintain both files and all information contained in such files for a minimum of 1 year after the second judgment lien lapses.

Each year the tax collected, less the service and administrative charges enumerated in s. 215.20 and the allowances allowed under s. 206.91, on the number of gallons reported, up to the total number of gallons reported in the base year, shall be distributed to each county using the distribution percentage calculated for the base year.

3. After the distribution of taxes pursuant to subparagraph 2., additional taxes available for distribution shall first be distributed pursuant to this subparagraph. A distribution shall be made to each county in which a qualified new retail station is located. A qualified new retail station is a retail station that began operation after June 30, 1996, and that has sales of diesel fuel exceeding 50 percent of the sales of diesel fuel reported in the county in which it is located during the 1995-1996 state fiscal year. The determination of whether a new retail station is qualified shall be based on the total gallons of diesel fuel sold at the station during each full month of operation during the 12-month period ending January 31, divided by the number of full months of operation during those 12 months, and the result multiplied by 12. The amount distributed pursuant to this subparagraph to each county in which a qualified new retail station is located shall equal the local option taxes due on the gallons of diesel fuel sold by the new station.

The department may review and audit the retail dealer’s records provided to a county to establish the gallons sold by the new retail station.

Notwithstanding the provisions of this subparagraph, when more than one county qualifies for a distribution pursuant to this subparagraph and the requested distributions exceed the total taxes available for distribution, each county shall receive a prorated share of the moneys available for distribution.

4. After the distribution of taxes pursuant to subparagraph 2.2r., all additional taxes available for distribution, except the taxes described in subparagraph 3., shall be distributed based on vehicular diesel fuel storage capacities in each county pursuant to this subparagraph. The total vehicular diesel fuel storage capacity shall be established for each fiscal year based on the registration of facilities with the Department of Environmental Protection as required by s. 376.303 for the following facility types: retail stations, fuel user/nonretail, state government, local government, and county government. Each
county shall receive a share of the total taxes available for
distribution pursuant to this subparagraph equal to a fraction,
the numerator of which is the storage capacity located within
the county for vehicular diesel fuel in the facility types
listed in this subparagraph and the denominator of which is the
total statewide storage capacity for vehicular diesel fuel in
those facility types. The vehicular diesel fuel storage capacity
for each county and facility type shall be that established by
the Department of Environmental Protection by June 1, 1997, for
the 1996-1997 fiscal year, and by January 31 for each succeeding
fiscal year. The storage capacities so established shall be

c. As used in this subsection, the term “erroneous, incomplete, or insufficient report” means a report so lacking in information, completeness, or arrangement that the report cannot be readily understood, verified, or reviewed. Such reports include, but are not limited to, reports having missing wage or employee information, missing or incorrect social security numbers, or illegible entries; reports submitted in a format that is not approved by the agency or its tax collection service provider; and reports showing gross wages that do not equal the total of the wages of each employee. However, the term does not include a report that merely contains inaccurate data that was supplied to the employer by the employee, if the employer was unaware of the inaccuracy.

3. Sums collected as penalties imposed pursuant to this paragraph shall under subparagraph 1. must be deposited in the Special Employment Security Administration Trust Fund.

4. The penalty and interest for a delinquent, erroneous, incomplete, or insufficient report may be waived if when the penalty or interest is inequitable. The provisions of ss. 213.24(1) apply to any penalty or interest that is imposed under this section.

5. The Agency for Workforce Innovation and the state agency
providing unemployment tax collection services may adopt rules
to administer this subsection.

(c) Application of partial payments.—If when a delinquency
exists in the employment record of an employer not in
bankruptcy, a partial payment less than the total delinquency
amount shall be applied to the employment record as the payor
directs. In the absence of specific direction, the partial
payment shall be applied to the payor’s employment record as
prescribed in the rules of the Agency for Workforce Innovation
or the state agency providing tax collection services.

(2) REPORTS, CONTRIBUTIONS, APPEALS.—

(a) Failure to make reports and pay contributions.—If an
employing unit determined by the tax collection service provider
to be an employer subject to this chapter fails to make and file
any report as and when required by this chapter or by any rule
of the Agency for Workforce Innovation or the state agency
providing tax collection services, for the purpose of
determining the amount of contributions due by the employer
under this chapter, or if any filed report is found by the
service provider to be incorrect or insufficient, and the
employer, after being notified in writing by the service
provider to file the report, or a corrected or sufficient
report, as applicable, fails to file the report within 15 days
after the date of the mailing of the notice, the tax collection
service provider may:

1. Determine the amount of contributions due from the
employer based on the information readily available to it, which
determination is deemed to be prima facie correct;

2. Assess the employer the amount of contributions
determined to be due; and

3. Immediately notify the employer by mail of the
determination and assessment including penalties as provided in
this chapter, if any, added and assessed, and demand payment
together with interest on the amount of contributions from the
date that amount was due and payable.

(b) Hearings.—The determination and assessment are final 15
days after the date the assessment is mailed unless the employer
files with the tax collection service provider within the 15
days a written protest and petition for hearing specifying the
objections thereto. The tax collection service provider shall
promptly review each petition and may reconsider its
determination and assessment in order to resolve the
petitioner’s objections. The tax collection service provider
shall forward each petition remaining unresolved to the Agency
for Workforce Innovation for a hearing on the objections. Upon
receipt of a petition, the Agency for Workforce Innovation shall
schedule a hearing and notify the petitioner of the time and
place of the hearing. The Agency for Workforce Innovation may
appoint special deputies to conduct hearings and to submit their
findings together with a transcript of the proceedings before
them and their recommendations to the agency for its final
order. Special deputies are subject to the prohibition against
ex parte communications in s. 120.66. At any hearing conducted
by the Agency for Workforce Innovation or its special deputy,
evidence may be offered to support the determination and
assessment or to prove it is incorrect. In order to prevail,
however, the petitioner must either prove that the determination
and assessment are incorrect or file full and complete corrected
reports. Evidence may also be submitted at the hearing to rebut the determination by the tax collection service provider that the petitioner is an employer under this chapter. Upon evidence taken before it or upon the transcript submitted to it with the findings and recommendation of its special deputy, the Agency for Workforce Innovation shall either set aside the tax collection service provider’s determination that the petitioner is an employer under this chapter or reaffirm the determination.

The amounts assessed under the final order, together with interest and penalties, must be paid within 15 days after notice of the final order is mailed to the employer, unless judicial review is instituted in a case of status determination. Amounts due when the status of the employer is in dispute are payable within 15 days after the entry of an order by the court affirming the determination. However, any determination that an employing unit is not an employer under this chapter does not affect the benefit rights of any individual as determined by an appeals referee or the commission unless:

1. The individual is made a party to the proceedings before the special deputy; or
2. The decision of the appeals referee or the commission has not become final or the employing unit and the Agency for Workforce Innovation were not made parties to the proceedings before the appeals referee or the commission.

(c) Appeals.—The Agency for Workforce Innovation and the state agency providing unemployment tax collection services shall adopt rules prescribing the procedures for an employing unit determined to be an employer to file an appeal and be afforded an opportunity for a hearing on the determination.
Pending a hearing, the employing unit must file reports and pay contributions in accordance with s. 443.131.

(3) COLLECTION PROCEEDINGS.—

(a) Lien for payment of contributions or reimbursements.—

1. There is created a lien in favor of the tax collection service provider upon all the property, both real and personal, of any employer liable for payment of any contribution or reimbursement levied and imposed under this chapter for the amount of the contributions or reimbursements due, together with any interest, costs, and penalties. If any contribution or reimbursement imposed under this chapter or any portion of that contribution, reimbursement, interest, or penalty is not paid within 60 days after becoming delinquent, the tax collection service provider may file subsequently a notice of lien that may be filed in the office of the clerk of the circuit court of any county in which the delinquent employer owns property or conducts business. The notice of lien must include the periods for which the contributions, reimbursements, interest, or penalties are demanded and the amounts due. A copy of the notice of lien must be mailed to the employer at the employer’s last known address. The notice of lien may not be filed and recorded until 15 days after the date the assessment becomes final under subsection (2). Upon filing presentation of the notice of lien, the clerk of the circuit court shall record the notice of lien in a book maintained for that purpose, and the amount of the notice of lien, together with the cost of recording and interest accruing upon the amount of the contribution or reimbursement, becomes a lien upon the title to and interest, whether legal or
equitable, in any real property, chattels real, or personal
property of the employer against whom the notice of lien is
issued, in the same manner as a judgment of the circuit court
docketed in the office of the circuit court clerk, with
execution issued to the sheriff for levy. This lien is prior,
preferred, and superior to all mortgages or other liens filed,
recorded, or acquired after the notice of lien is filed. Upon
the payment of the amounts due, or upon determination by the tax
collection service provider that the notice of lien was
erroneously issued, the lien is satisfied when the service
provider acknowledges in writing that the lien is fully
satisfied. A lien’s satisfaction does not need to be
acknowledged before any notary or other public officer, and the
signature of the director of the tax collection service provider
or his or her designee is conclusive evidence of the
satisfaction of the lien, which satisfaction shall be recorded
by the clerk of the circuit court who receives the fees for
those services.

2. The tax collection service provider may subsequently
issue a warrant directed to any sheriff in this state,
commanding him or her to levy upon and sell any real or personal
property of the employer liable for any amount under this
chapter within his or her jurisdiction, for payment, with the
added penalties and interest and the costs of executing the
warrant, together with the costs of the clerk of the circuit
court in recording and docketing the notice of lien, and to
return the warrant to the service provider with payment. The
warrant may only be issued and enforced for all amounts due to
the tax collection service provider on the date the warrant is
issued, together with interest accruing on the contribution or
reimbursement due from the employer to the date of payment at
the rate provided in this section. In the event of sale of any
assets of the employer, however, priorities under the warrant
shall be determined in accordance with the priority established
by any notices of lien filed by the tax collection service
provider and recorded by the clerk of the circuit court. The
sheriff shall execute the warrant in the same manner prescribed
by law for executions issued by the clerk of the circuit court
for judgments of the circuit court. The sheriff is entitled to
the same fees for executing the warrant as for a writ of
execution out of the circuit court, and these fees must be
collected in the same manner.

3. The lien expires 10 years after the filing of a notice
of lien with the clerk of court. An action to collect amounts
due under this chapter may not be commenced after the expiration
of the lien securing the payment of the amounts owed.

(b) Injunctive procedures to contest warrants after
issuance.—An injunction or restraining order to stay the
execution of a warrant may not be issued until a motion is
filed; reasonable notice of a hearing on the motion for the
injunction is served on the tax collection service provider; and
the party seeking the injunction either pays into the custody of
the court the full amount of contributions, reimbursements,
interests, costs, and penalties claimed in the warrant or enters
into and files with the court a bond with two or more good and
sufficient sureties approved by the court in a sum at least
twice the amount of the contributions, reimbursements,
interests, costs, and penalties, payable to the tax collection
service provider. The bond must also be conditioned to pay the amount of the warrant, interest, and any damages resulting from the wrongful issuing of the injunction, if the injunction is dissolved, or the motion for the injunction is dismissed. Only one surety is required when the bond is executed by a lawfully authorized surety company.

(c) Attachment and garnishment.—Upon the filing of notice of lien as provided in subparagraph (a)1., the tax collection service provider is entitled to remedy by attachment or garnishment as provided in chapters 76 and 77, as for a debt due. Upon application by the tax collection service provider, these writs shall be issued by the clerk of the circuit court as upon a judgment of the circuit court duly docketed and recorded. These writs shall be returnable to the circuit court. A bond may not be required of the tax collection service provider as a condition required for the issuance of these writs of attachment or garnishment. Issues raised under proceedings by attachment or garnishment shall be tried by the circuit court in the same manner as a judgment under chapters 76 and 77. Further, the notice of lien filed by the tax collection service provider is valid for purposes of all remedies under this chapter until satisfied under this chapter, and revival by scire facias or other proceedings are not necessary before pursuing any remedy authorized by law. Proceedings authorized upon a judgment of the circuit court do not make the lien a judgment of the circuit court upon a debt for any purpose other than as are specifically provided by law as procedural remedies.

(d) Third-party claims.—Upon any levy made by the sheriff under a writ of attachment or garnishment as provided in
paragraph (c), the circuit court shall try third-party claims to property involved as upon a judgment thereof and all proceedings authorized on third-party claims in ss. 56.16, 56.20, 76.21, and 77.16 shall apply.

(e) Proceedings supplementary to execution.—At any time after a warrant provided for in subparagraph (a)2. is returned unsatisfied by any sheriff of this state, the tax collection service provider may file an affidavit in the circuit court affirming the warrant was returned unsatisfied and remains valid and outstanding. The affidavit must also state the residence of the party or parties against whom the warrant is issued. The tax collection service provider is subsequently entitled to have other and further proceedings in the circuit court as upon a judgment thereof as provided in s. 56.29.

(f) Reproductions.—In any proceedings in any court under this chapter, reproductions of the original records of the Agency for Workforce Innovation, its tax collection service provider, the former Department of Labor and Employment Security, or the commission, including, but not limited to, photocopies or microfilm, are primary evidence in lieu of the original records or of the documents that were transcribed into those records.

(g) Jeopardy assessment and warrant.—If the tax collection service provider reasonably believes that the collection of contributions or reimbursements from an employer will be jeopardized by delay, the service provider may assess the contributions or reimbursements immediately, together with interest or penalties when due, regardless of whether the contributions or reimbursements accrued are due, and may
immediately issue a notice of lien and jeopardy warrant upon which proceedings may be conducted as provided in this section for notice of lien and warrant of the service provider. Within 15 days after mailing the notice of lien by registered mail, the employer may protest the issuance of the lien in the same manner provided in paragraph (2)(a). The protest does not operate as a supersedeas or stay of enforcement unless the employer files with the sheriff seeking to enforce the warrant a good and sufficient surety bond in twice the amount demanded by the notice of lien or warrant. The bond must be conditioned upon payment of the amount subsequently found to be due from the employer to the tax collection service provider in the final order of the Agency for Workforce Innovation upon protest of assessment. The jeopardy warrant and notice of lien are satisfied in the manner provided in this section upon payment of the amount finally determined to be due from the employer. If enforcement of the jeopardy warrant is not superseded as provided in this section, the employer is entitled to a refund from the fund of all amounts paid as contributions or reimbursements in excess of the amount finally determined to be due by the employer upon application being made as provided in this chapter.

Section 21. Effective July 1, 2010, subsection (2) of section 443.163, Florida Statutes, is amended to read:

443.163 Electronic reporting and remitting of contributions and reimbursements.—

(2)(a) An employer who is required by law to file an Employers Quarterly Report (UCT-6) by approved electronic means, but who files the report by a means other than approved
electronic means, is liable for a penalty of $50 $10 for that report and $1 for each employee. This penalty, which is in addition to any other applicable penalty provided by this chapter. However, unless the penalty does not apply if employer first obtains a waiver of this requirement from the tax collection service provider waives the electronic filing requirement in advance. An employer who fails to remit contributions or reimbursements by approved electronic means as required by law is liable for a penalty of $50 $10 for each remittance submitted by a means other than approved electronic means. This penalty, which is in addition to any other applicable penalty provided by this chapter.

(b) A person who prepared and reported for 100 or more employers in any quarter during the preceding state fiscal year, but who fails to file an Employers Quarterly Report (UCT-6) for each calendar quarter in the current calendar year by approved electronic means as required by law, is liable for a penalty of $50 $10 for that report and $1 for each employee. This penalty, which is in addition to any other applicable penalty provided by this chapter. However, unless the penalty does not apply if person first obtains a waiver of this requirement from the tax collection service provider waives the electronic filing requirement in advance.

Section 22. Subsection (3) of section 443.163, Florida Statutes, is amended to read:

443.163 Electronic reporting and remitting of contributions and reimbursements.—

(3) The tax collection service provider may waive the requirement to file an Employers Quarterly Report (UCT-6) by
electronic means for employers that are unable to comply despite
good faith efforts or due to circumstances beyond the employer’s
reasonable control.

(a) As prescribed by the Agency for Workforce Innovation or
its tax collection service provider, grounds for approving the
waiver include, but are not limited to, circumstances in which
the employer does not:
  1. Currently file information or data electronically with
any business or government agency; or
  2. Have a compatible computer that meets or exceeds the
standards prescribed by the Agency for Workforce Innovation or
its tax collection service provider.

(b) The tax collection service provider shall accept other
reasons for requesting a waiver from the requirement to submit
the Employers Quarterly Report (UCT-6) by electronic means,
including, but not limited to:
  1. That the employer needs additional time to program his
or her computer;
  2. That complying with this requirement causes the employer
financial hardship; or
  3. That complying with this requirement conflicts with the
employer’s business procedures.

(c) The Agency for Workforce Innovation or the state agency
providing unemployment tax collection services may establish by
rule the length of time a waiver is valid and may determine
whether subsequent waivers will be authorized, based on this
subsection; however, the tax collection service provider may
only grant a waiver from electronic reporting if the employer
timely files the Employers Quarterly Report (UCT-6) by telefile.
unless the employer wage detail exceeds the service provider’s telefile system capabilities.

Section 23. Effective July 1, 2010, section 213.692, Florida Statutes, is created to read:

213.692 Integrated enforcement authority.—
(1) If the department files a warrant, notice of lien, or judgment lien certificate against the property of a taxpayer, the department may also revoke all certificates of registration, permits, or licenses issued by the department to that taxpayer.

(a) Before the department may revoke the certificates of registration, permits, or licenses, the department must schedule an informal conference that the taxpayer is required to attend. At the conference, the taxpayer may present evidence regarding the department’s intended action or enter into a compliance agreement. The department must provide written notice to the taxpayer of the department’s intended action and the time, date, and place of the conference. The department shall issue an administrative complaint to revoke the certificates of registration, permits, or licenses if the taxpayer does not attend the conference, enter into a compliance agreement, or comply with the compliance agreement.

(b) The department may not issue a certificate of registration, permit, or license to a taxpayer whose certificate of registration, permit, or license has been revoked unless:

1. The outstanding liabilities of the taxpayer have been satisfied; or

2. The department enters into a written agreement with the taxpayer regarding any outstanding liabilities and, as part of such agreement, agrees to issue a certificate of registration,
permit, or license.

(c) The department shall require a cash deposit, bond, or other security as a condition of issuing a new certificate of registration pursuant to the requirements of s. 212.14(4).

(2) If the department files a warrant or a judgment lien certificate in connection with a jeopardy assessment, the department must comply with the procedures in s. 213.732 before or in conjunction with those provided in this section.

(3) The department may adopt rules to administer this section.

Section 24. Effective July 1, 2010, the Department of Revenue is authorized to adopt emergency rules to administer s. 213.692, Florida Statutes. The emergency rules shall remain in effect for 6 months after adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.

Section 25. Section 195.095, Florida Statutes, is repealed.

Section 26. Section 213.054, Florida Statutes, is repealed.

Section 27. Except as otherwise expressly provided in this act, this act shall take effect upon becoming a law.
