Senator Taddeo moved the following:

Senate Amendment to Amendment (882296) (with title amendment)

Delete line 1983
and insert:

(4) The department may include in the electronic database that an exempt tax rate applies for tangible personal property delivered to a unique United States postal address if such address will be used exclusively by a forwarding agent to receive and export tangible personal property from and to a foreign customer proven to the satisfaction of the department.
As used in this subsection, the term “unique United States postal address” means a postal address used by a single business entity.

(5) The department may adopt rules to administer this

And the title is amended as follows:

Delete line 3556 and insert:

construction; authorizing the department to include in the electronic database that an exempt tax rate applies for tangible personal property delivered to a unique United States postal address under certain circumstances; defining the term “unique United States postal address”; authorizing the department to adopt
