IV. Closing Remarks/Adjournment

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
1	2753	Sunny Isles Beach Security Improvements	Geller, Joseph	Miami-Dade	200,000	City of Sunny Isles Beach	Funding for this project will cover the implementation and construction of improvements recommended by the City's third party certified security consultant's recommendations for construction of security improvements at the (examples: installing bullet proof glass at permit windows, installing access card readers at entrances/exits for a visitor management system). Security improvements will be used at the City's Government Center, and the City's Pelican Community Center.
2	2771	FECR Corridor Rail Safety Improvements	Byrd, Cord	Duval	750,000	City of Jacksonville	This project will improve the safety and walk-ability of the area of Jacksonville from the Southbank south to the Florida East Coast Railway (FECR) Bowden Rail Yard at the intersection of Philips Highway and J. Turner Butler Blvd. There are 10 active railroad crossings spanning this 7 mile stretch of rail line. The improvements will ensure that freight trains will move quickly through the neighborhoods and will no longer unnecessarily block crossings.
3	2795	North Miami Beach - NE 35 Avenue Roadway Improvements Project	Geller, Joseph	Miami-Dade	500,000	City of North Miami Beach	The funds would be used for rehabilitation of NE 35 Avenue between SR 826 and NE 170 Street. Specifically, the project will address the reconstruction of NE 35 Avenue to include roadway reconstruction, traffic calming, sidewalk and curb reconstruction, new bike lanes and ADA ramps.
4	2871	Sunny Isles Beach Pedestrian Park Bridge	Geller, Joseph	Miami-Dade	1,000,000	City of Sunny Isles Beach	The City of Sunny Isles Beach will construct a pedestrian bridge across Collins Avenue at 174th Street that will serve 3 main purposes: provide for much needed pedestrian safety on the only thoroughfare through the City, alleviate traffic congestion by eliminating the street level pedestrian crossing, and create an elevated park setting with permanent seating and space for performing and visual arts in a high-density urban environment.
5	2907	SE 4th Terrace Road Reconstruction and Swale - Dania Beach	Geller, Joseph	Broward	810,000	City of Dania Beach	To improve the safety of pedestrians, cyclist and drivers using SE 4th Terrace by rebuilding the road base, improving the swales and sidewalk. The rebuilding of the road base will fix the deteriorating condition of the roadway surface which is wavy, creating a hazardous condition.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
6	3159	Normandy Boulevard at Providence Intersection Improvements	Santiago, David	Volusia	1,000,000	City of Deltona	The goal is for pedestrian and vehicular safety improvements at an intersection located in a commercial area. An additional benefit is that the project will promote economic development for Deltona.
7	3209	License Plate Reader Project City of Margate	Jacobs, Kristin	Broward	273,340	City of Margate	LPR technology will be used to combat property crimes to include motor vehicle theft, burglary, & enhance investigative capabilities. The City of Margate is experiencing significant increases in property crime rates; 100% increase in business burglary, 22% increase in motor vehicle theft. Research has shown jurisdictions who utilize this technology have increased success in clearing cases & recovering stolen property. Decreasing property crime rates in the City is the purpose of this project.
8	3361	NW 74th St Improvements	Rodriguez, Ana	Miami-Dade	500,000	Town of Medley	The specific purpose of this project is to improve roadway and drainage along 74th St. and to replace an aged and undersized water main, made of undesirable material Asbestos Cement Pipe (ACP). The proposed improvement consist of approximately 1,700 LF of 16" Water Main.
9	3363	NW 89th Ave Roadway and Drainage Improvements	Rodriguez, Ana	Miami-Dade	400,000	Town of Medley	In consideration for the safety of local residents and due to the level of deterioration to the existing conditions of the roadway segment along NW 89th Ave from 95th St. to the FEC Railroad Right-of-Way (ROW), the Town is requesting funding for the construction of about 1,200 LF of roadway and drainage improvements. These improvements will include reconstruction of the roadway segment with the creation of a pedestrian-bike share path, sidewalks, roadway striping and landscaping.
10	3533	Florida Supportive Housing Coalition Community Dialogue Technical Assistance Program	Plakon, Scott	Statewide	100,000	Florida Supportive Housing Coalition	The purpose of the Community Dialogue Technical Assistance Program is to educate local governments and other community leaders as to the value of developing affordable and supportive housing for persons with disabling conditions or experiencing homelessness. The goal of the program is that more communities will develop supportive housing therefore decreasing homeless and preventing homelessness for those at risk of homelessness.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
11	3711	99 Terrace Connector Road Improvements	Rodriguez, Ana	Miami-Dade	500,000	Town of Medley	This project is critical for the Town as it provides future connectivity to Okeechobee Road for northwest bound traffic on NW S River Drive, by allowing to access the proposed fly over ramp connecting northbound traffic on NW 87 Avenue to west bound Okeechobee Road. This is critical for the continued economic development of this area with growth and job creation.
12	3729	Brevard County EOC Construction - Phase 1	Sirois, Tyler	Brevard	1,000,000	Brevard County Board of County Commissioners	A new EOC of sufficient size and technology capacity would enable Brevard County to better provide emergency response, recovery, training and mitigation -- all part of the County's responsibility under Florida Statute 252. The funds requested would provide for the conclusion of the site work, required before the construction phase could begin.
13	3771	Traffic Safety - Miami Shores Village	Joseph, Dotie	Miami-Dade	500,000	Miami Shores Village	Due to its location within Miami-Dade County, transient traffic issues have become a greater concern with apps that reroute traffic through the Village. With four main artery routes to downtown Miami, various traffic incidents occur on a consistent basis. Cut-through traffic can be reduced with transient traffic control devices installed on local roads to reduce spending and reduce the traffic density impact on the residential streets of the Village that flow from the main arterial roadways.
14	3891	BRIDG Operations	La Rosa, Mike	Osceola	10,000,000	ICAMR, Inc. (dba BRIDG)	For the continued operations and ramp up of BRIDG (501c6) microelectronics manufacturing development and research activities that help catalyze high-skill, high-wage jobs creation, diversify our economy, foster innovation, and support US-based manufacturing.
15	4681	Jackson Hospital - Clinic Emergency Generators	Drake, Brad	Jackson	989,712	Jackson Hospital	The funds requested will be used to provide emergency generators at the Hospital's medical and clinic buildings. The damage and impact from Hurricane Michael demonstrated the need for the continuous power at Jackson Hospital's Medical Office Buildings and its nine off-site clinics.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
16	4747	Career Readiness Center	Plasencia, Rene	Brevard	355,545	7th Generation Community Services Corporation	The purpose of the funds will be to hire appropriate staff to expand the career readiness program. We would like to take this program that has been going out to organizations and bring them to our one central location. This will enable us to hire the staff necessary to get started. It will also ensure that we have the supplies needed to get the program going. With funding, we will be able to become self-sustaining. All profits will be put back into the program to reach more kids.
17	4755	Lincolntonville African American Museum and Cultural Center	Stevenson, Cyndi	St. Johns	1,000,000	Friends of Lincolntonville, Inc.	Preserve, upgrade and renovate the Excelsior Building, the first African American High School in St. Johns County, built in 1925 as home of the Lincolntonville Museum, that has operated in the building since 2007. Sustaining the museum preserves the rich heritage of Lincolntonville, a quickly gentrifying community, as a heritage site, museum and community event space.
18	4757	St. Augustine Lighthouse Tower Preservation	Stevenson, Cyndi	St. Johns	484,628	St Augustine Lighthouse & Maritime Museum, Inc.	Preservation of the St. Augustine Lighthouse is continuous. The Museum invests some \$500,000 every five or six years in restoration activities to maintain an original restoration that began in 1980 when 16 women, volunteers in the Junior Service League, turned back the bulldozers. Today, we need to re-paint the inside of the 1874, 165 foot tall, lighthouse tower, which will turn 145 years old this October. This work has not been completed since the early 1990's.
19	4761	Ponte Vedra SR A1A Corridor Intersection Improvements	Stevenson, Cyndi	St. Johns	4,750,000	St. Johns County Board of County Commissioners	The funds will be used to construct the Ponte Vedra SR A1A corridor intersection improvements to alleviate existing and future traffic congestion. NFTPO & FDOT were extensively involved in the study and design of the Mickler Road, PGA Tour Boulevard, Sawgrass Village/L'Atrium Drive, Solana Road improvements. These improvements are intended to meet FDOT design standards and specifications.

20	4763	CR 2209 Extension - St. Johns County	Stevenson, Cyndi	St. Johns	19,155,302	St. Johns County Board of County Commissioners	Funds will be used for the purpose of providing connectivity and improving traffic safety and congestion on CR 2209. The project consists of new construction of 4 lanes with paved shoulders and curb median from International Golf Park Way (IGP) to Silverleaf Parkway.
21	4815	City of Winter Haven Dr. Martin Luther King Jr. Park ADA Improvements	Killebrew, Sam	Polk	200,000	City of Winter Haven	The park hosts a number of events annually and is home to the Cypress Gardens Water Ski Team Inc. The Team has daily practices and monthly free shows for the public. They also host adaptive water ski clinics. Through ADA redevelopment and enhancements, this park will be fully accessible to all populations.
22	4841	Town of Pembroke Park Town Hall Hardening Improvements	Jones, Shevrin	Broward	350,000	Town of Pembroke Park	Installation of hurricane-resistant doors and windows, strengthens Town Hall building envelope for disaster preparedness compliance, withstand a Category 3/4 storm; 750 kw diesel emergency backup generator with switchgear and building circuits; upgrade of existing building elevator to meet ADA code requirements, replacing of the aging roof, and AC unit. Provides for improved life, health, safety and protection of employees and visitors; in this fiscally disadvantaged municipality.
23	4845	Teen Safe Driving Education Program	Fitzenhagen, Heather	Statewide	227,000	Dori Saves Lives	Save lives, by reducing Florida teen drivers road side crash fatalities and injuries. Making Florida roads safer for all drivers.
24	4875	Home Builders Institute - Building Careers for Veterans	Roach, Spencer	Duval, Okaloosa, Orange	900,000	Home Builders Institute	The program promises job readiness and career connections for eligible veterans/military personnel and families as well as transitioning veteran offenders seeking vocational skills and employment opportunities. The goal is to assist participants to become employed within the community to provide opportunities for stackable, portable, industry-recognized credentials. Services also enable businesses to obtain highly skilled, certified workers which increases tax revenues and reduces unemployment.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
25	4881	Charlotte County William R. Gaines, Jr. Veteran's Memorial Park Playground and Sports Fields	Roach, Spencer	Charlotte	250,000	Charlotte County Board of County Commissioners	Seeking funds for the expansion of playground equipment, water features and recreational ball fields at the William R.
