

Transportation & Tourism Appropriations Subcommittee

**Tuesday, December 10, 2019
12:30 PM – 3:30 PM
Reed Hall (102 HOB)**

Committee Meeting Packet

The Florida House of Representatives

Appropriations Committee

Transportation & Tourism Appropriations Subcommittee

Jose Oliva
Speaker

Jay Trumbull
Chair

AGENDA

Tuesday, December 10, 2019
102 House Office Building
12:30 PM – 3:30 PM

- I. Call to Order/Roll Call
- II. Opening Remarks by Chair Trumbull
- III. Consideration of the following bills:

HB 2423 St. Pete Beach Road Reconstruction by Webb
HB 2601 HART - Radio Communications Upgrades by Toledo
HB 2639 Village of Indiantown Road/Storm Water Drainage Reconstruction by Magar
HB 2693 Florida Severe Weather Mesonet-Phase II by Santiago
HB 2695 Panama City Watson Bayou Turning Basin Bulkhead by Williamson
HB 2705 FloridaMakes by Duggan
HB 2707 African Museum of Arts and Culture by Bush
HB 2713 Automated License Plate Readers - City of Jacksonville Beach by Byrd
HB 2723 Florida Israel Business Accelerator - Southwest Florida Expansion by Toledo
HB 2729 Key Colony Beach City Hall Complex Repair by Raschein
HB 2731 Compensation to Property Owners – Monroe County by Raschein
HB 2733 Harry S. Truman Little White House Digitization and Protection of Archival Collection - Key West by Raschein
HB 2755 Riverside Drive Traffic Misalignment Correction Project by LaMarca
HB 2757 LaunchCode Florida Tech Career & Veteran Initiative by Grant, J.
HB 2765 City of Safety Harbor Public Library Expansion by Grant, J.
HB 2767 Pedestrian Crossing Installation by Yarborough
HB 2837 Underline Multi-Use Trail/Mobility Corridor by Aloupis
HB 2899 Big Brothers Big Sisters School to Work Mentoring Program by Andrade
HB 2909 Operation New Uniform by Byrd
HB 2933 Panama City Watson Bayou Dredging- Entrance Channel and Turning Basin by Williamson
HB 2977 Emergency Operations Center - Franklin County by Shoaf
HB 2979 Liberty County Generators by Shoaf
HB 3011 Wakulla County Back-up Generators for Public Facilities by Shoaf
HB 3037 Miami River Commission by Duran

HB 3089 LaBelle City Wharf Improvements - Phase IV by Donalds
HB 3145 State Road 20 Infrastructure Extension by Shoaf
HB 3157 Casa Familia Village Phase II by Duran
HB 3175 City of Pembroke Pines Senior Transportation Program by Stark
HB 3179 Statewide Regional Evacuation Study Update by Burton
HB 3183 Greater Haitian Chamber of Commerce - Operations by Brown
HB 3185 Greater Haitian Chamber of Commerce Professional & Entrepreneurship Program by Brown
HB 3263 2022 Special Olympics USA Games by Tomkow
HB 3397 Town of Lake Park - Downtown Parking Structure by Jacquet
HB 3449 Baker Corridor Improvement Analysis by Williamson
HB 3481 Lauderdale Commerce Visitors Bureau by Omphroy
HB 3499 Anderson Snow Road & Corporate Boulevard Improvements by Massullo
HB 3501 Richloam Museum by Massullo
HB 3547 Roads & Streets Improvement Project - Edgewood by Eskamani
HB 3557 Florida Medal of Honor Memorial by Pigman
HB 3561 Okeechobee County Industrial Park Improvements by Pigman
HB 3609 City of Tavares History Museum by Sullivan
HB 3615 Pulse National Memorial and Museum by Raschein
HB 3619 Marine Research Hub by Raschein
HB 3645 Manufacturing Talent Asset Pipeline by Plasencia
HB 3709 Windley Key & Key Heights Affordable Housing Project by Rodriguez, A. M.
HB 3725 Bay of Pigs - Brigade 2506 Museum by Avila
HB 3731 Opa-Locka Executive Airport Infrastructure Improvements by Avila
HB 3739 Sports Nutrition Center and Maintenance Buildings - Bradenton by Latvala
HB 3779 Comprehensive Home Accessibility for Floridians with Disabilities by Santiago
HB 3781 African American History Museum and Library at Roosevelt High School by Jacquet
HB 3799 City of Tampa Crosswalks to Classrooms by Hart
HB 3855 Victory Village Rehabilitation Project by La Rosa
HB 3857 St. Cloud Seaplane Base by La Rosa
HB 3859 Mutter Road Connection by La Rosa
HB 3867 Hispanic Business Initiative Fund Outreach Program by La Rosa
HB 3885 Online Workforce-Based Adult High School Program by Latvala
HB 3891 BRIDG Operations by La Rosa
HB 3901 City of Callaway Roadway Repairs by Williamson
HB 3903 City of Lynn Haven Road Repairs by Williamson
HB 3911 Florida Ready to Work by Massullo
HB 3915 Keep Florida Beautiful, Inc. by Davis
HB 3927 Rales Rides - Senior Transportation Program by Slosberg
HB 3975 Miami Lakes East ADA Pedestrian Mobility Infrastructure Project by Avila
HB 3977 Pedestrian Safety on Collector Streets by Avila
HB 3979 Palmetto Bay Multimodal Transit Station by Fernández
HB 3987 Ludlam Trail Corridor by Avila
HB 4027 City of Opa-Locka Parks and Recreation Department by Bush
HB 4031 Stockton Street Emergency Generator by Duggan
HB 4071 NeighborWorks Florida Collaborative - Catalyst for Florida Communities by Toledo
HB 4073 Tech Diversity Accelerator by Toledo
HB 4081 Trout Lake Nature Center New Education Center by Sullivan
HB 4107 Florida Coastal Mapping Program - Tampa Bay Area by DiCeglie
HB 4137 City of Safety Harbor Municipal Marina Restoration Project by Grant, J.

- HB 4201** Doral Intersection Signalization Pedestrian Safety NW 82 Street and NW 114 Avenue by Rodriguez, A. M.
- HB 4203** Biscayne-Everglades Greenway (BEG)- Funding Request for Design & Construction of Trail by Rodriguez, A. M.
- HB 4215** Summer Youth Employment Program by Brannan
- HB 4227** Suwannee Water & Sewer District - Backhoe Tractor Replacement by Clemons
- HB 4237** Hallandale Beach Pedestrian/Student Safety Mobility Improvements by Jones
- HB 4257** Cape Canaveral Lighthouse Keeper's Cottage - Education Center by Sirois

- HB 4635** John F. Kennedy Bunker & Cuban Missile Crisis Educational Exhibit by Jacquet
- HB 4713** Autonomous Transit AV Technology, Workforce and Economic Opportunity by Yarborough

IV. Closing Remarks/Adjournment

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
1	2423	St. Pete Beach Road Reconstruction	Webb, Jennifer	Pinellas	2,500,000	City of St Pete Beach	The requested funds will be used to rebuild the State and Local roads that will be impacted as the City of St. Pete Beach expands its wastewater transmission system, which will minimize future sanitary sewer overflows and create capacity to immediately facilitate commercial development and redevelopment projects.
2	2601	HART - Radio Communications Upgrades	Toledo, Jackie	Hillsborough	600,000	Hillsborough Area Regional Transit Authority (HART)	<p>This project would enhance communication by leveraging the 17 towers in the Hillsborough County Sheriff's Office (HCSO) network and reduce the deployment time of the CAD/AVL solution by 6-9 months while enhancing the voice quality of radio transmissions.</p> <p>*HART currently has use of only one radio tower and current communications equipment is becoming obsolete.</p>
3	2639	Village of Indiantown Road/Storm Water Drainage Reconstruction	Magar, MaryLynn	Martin	2,750,000	Village of Indiantown	This reconstruction project would assist in repairing, restoring and protecting the network of streets that are in different stages of disrepair potentially leading to land based discharges, pollutants, land erosion and other elements that negatively impact over 8,000 residents & 15,000 properties within the boundaries of the Village of Indiantown. The project will also establish a functional drainage system to protect the renovated roadways and the health and safety of local residents.
4	2693	Florida Severe Weather Mesonet-Phase II	Santiago, David	Statewide	970,000	WeatherSTEM, Inc.	The purpose of this is to provide the Florida Division of Emergency Management with hyper-local, real-time weather data in strategic locations. This new data will provide critical information to assist FDEM in coordinating the deployment of resources to impacted areas during times of severe weather including hurricanes. With the combination of weather data coupled with images available every minute, emergency management officials and first responders will have the data and images at specific locations.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
5	2695	Panama City Watson Bayou Turning Basin Bulkhead	Williamson, Jayar	Bay	3,000,000	Bay County Florida	The project will increase and improve economic activity; create specific immediate job opportunities and improve transportation conditions by expanding bulkhead for outfitting berthing spaces in Watson Bayou and the Panama City Industrial Complex. Includes all costs associated with constructing an industrial bulkhead and turning basin in Watson Bayou in support of the Panama City Industrial Complex and the construction and outfitting of United States Coast Guard Offshore Patrol Cutters.
6	2705	FloridaMakes	Duggan, Wyman	Orange	500,000	FloridaMakes, Inc.	FloridaMakes is a statewide, industry-led, public-private partnership operated by an alliance of Florida's regional manufacturers associations with the sole mission of strengthening and advancing Florida's economy by improving the competitiveness, productivity and technological performance of its manufacturing sector, with an emphasis on small- and medium-sized firms. It accomplishes this by providing services focused on three principle value streams: technology adoption, talent development.
7	2707	African Museum of Arts and Culture	Bush, James	Miami-Dade	500,000	African Museum of Arts and Culture	Arts, Culture and Education
8	2713	Automated License Plate Readers - City of Jacksonville Beach	Byrd, Cord	Duval	150,000	Michael J. Staffopoulos, City Manager, City of Jacksonville	Identifying criminal vehicles entering/exiting communities, and general monitoring of municipal boundaries and target areas within the City of Jacksonville Beach in order to aid in investigations, provide evidentiary value, apprehend criminals, and assist in prosecution.
9	2723	Florida Israel Business Accelerator - Southwest Florida Expansion	Toledo, Jackie	Collier, Hillsborough, Lee, Manatee, Miami-Dade, Pasco, Pinellas, Sarasota	600,000	Tampa JCC/Federation, Inc.	Focus will be put on expanding FIBA into SW FL • Create high wage/high skilled jobs • Attract additional manufacturing/distribution opportunities to Florida• Establish high-growth tech ventures in FL • Engage/collaborate with the FL entrepreneurial ecosystem • Raise visibility of FL's high quality, investible startups & growth-stage companies nationally & internationally • Provide opportunities to leverage intellectual property assets of local universities. Get investment \$ from outside FL

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
10	2729	Key Colony Beach City Hall Complex Repair	Raschein, Holly	Monroe	500,000	City of Key Colony Beach	City is replacing IRMA damaged critical facility (City Hall), including EOC and Police. 1.) Elevating structure above base flood elevation by 24-36 inches (Coastal A standards) and fortifying the foundation against V zone wave action. 2.) FF&E and IT costs related to the EOC. This equipment would include technology for connectivity to Monroe County. 3.)Alternate power source such as mobile generator and a battery-backup power system with solar input. 4.)Soft cost/match related to A&E service
11	2731	Compensation to Property Owners – Monroe County	Raschein, Holly	Monroe	460,363	Monroe County Board of County Commissioners	The purpose of the funds is to compensate property owners in two cases whose property rights were found by judge to be violated by State-imposed growth restrictions pursuant to Ch. 380, Florida Keys Area of Critical State Concern. The cases were brought against the State and the County and were jointly defended by both. The judgments are joint and several. Monroe County paid the full amounts so as to avoid accrual of additional interest, and seeks reimbursement of State's 50% share.
12	2733	Harry S. Truman Little White House Digitization and Protection of Archival Collection - Key West	Raschein, Holly	Monroe	250,000	Key West Harry S. Truman Foundation	The goal of this project is to digitize and archive the collection of state owned historic documents and artifacts related to our presidential history that have been donated to the Foundation so that these items can be better preserved and made available for viewing by those who may not be able to physically visit the museum. Florida's only presidential museum deserves the proper tools to further collect, preserve, protect, exhibit and interpret objects of historical significance.
13	2755	Riverside Drive Traffic Misalignment Correction Project	LaMarca, Chip	Broward	2,928,768	City of Pompano Beach	Traditional longstanding misalignment issues on Riverside Drive, which connects two city bridges, Atlantic Boulevard Bridge and NE 4th Street Causeway Bridge, has caused multiple traffic issues and numerous accidents and roadways incidents. Completion of the project will improve pedestrian and cycling flow as well as improve routine flooding.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
14	2757	LaunchCode Florida Tech Career & Veteran Initiative	Grant, James	Broward, Hillsborough, Miami-Dade, Pinellas	1,000,000	LaunchCode Foundation	Through LaunchCode's Florida's Tech Career & Veteran Initiative, we will enroll at least 200 Floridians in our free training classes between July 1, 2020 and June 30, 2021, with a focus on recruiting active duty, reserve or veteran military, or their family or household members. Additionally, we will launch at least 60 Floridians into tech apprenticeships/careers by June 30, 2021. Historically, our apprenticeships lead to permanent employment within 120 days of placement 80% of the time.
15	2765	City of Safety Harbor Public Library Expansion	Grant, James	Pinellas	2,000,000	City of Safety Harbor	The Safety Harbor Public Library is located in downtown Safety Harbor. This project will construct a second story to a portion of the building for additional services and programming.
16	2767	Pedestrian Crossing Installation	Yarborough, Clay	Duval	750,000	City of Jacksonville	The funds will be used to combat high rates of pedestrian fatalities in the city. The city has identified locations where pedestrian crossing enhancements are needed.
17	2837	Underline Multi-Use Trail/Mobility Corridor	Aloupis, Vance	Miami-Dade	3,000,000	The Underline	The funds will be used to continue the design and construction (Design/Build) of a 10-mile off-road Underline mobility corridor. Funds already appropriated are being used for the completion of 2.64 miles extending from the Miami River to SW 19th Avenue. The \$3 million requested will be used for the design/construction of 0.78 miles from SW 42nd Avenue to Granada Blvd encouraging the community to walk, bike and take transit to alleviate congestion and improve public safety.
18	2899	Big Brothers Big Sisters School to Work Mentoring Program	Andrade, Alex	Statewide	500,000	Big Brothers Big Sisters Association of Florida, Inc.	The purpose of Big Brothers Big Sisters Association of Florida's Bigs Inspiring Scholastic Success (BISS) program is to help children reach their potential through professionally supported one-to-one relationships with measurable impact, with a primary focus on improving the child's ability to achieve academically through the positive influence of their volunteer mentor.
19	2909	Operation New Uniform	Byrd, Cord	Duval	750,000	Operation New Uniform	There will be career education for 50 veterans at \$5,000 per veteran. There will be career coaching for 250 veterans and spouses for \$1,000 per student.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
20	2933	Panama City Watson Bayou Dredging - Entrance Channel and Turning Basin	Williamson, Jayar	Bay	4,500,000	Bay County Florida	The project will increase and improve economic activity; create specific immediate job opportunities and improve transportation conditions by dredging the entrance channel and turning basin in Watson Bayou and the Panama City Industrial Complex. Includes all costs associated with dredging in Watson Bayou in support of the Panama City Industrial Complex and the construction and outfitting of United States Coast Guard Offshore Patrol Cutters.
21	2977	Emergency Operations Center - Franklin County	Shoaf, Jason	Franklin	1,500,000	Franklin County Board of County Commissioners	The construction of a new Emergency Operations Center will be built with adequate space to allow for effective and efficient operations and response during a storm or other emergency or disasters in the county. The current facility, which is at least 50 years old, was a National Weather Service office that was converted to the county's Emergency Operation Center. Franklin County is the only coastal county in the Panhandle that does not have a new EOC
22	2979	Liberty County Generators	Shoaf, Jason	Liberty	700,000	Liberty County Board of County Commissioners	The generators will be installed at the court house, county jail, clerk's office, sheriff's office, ambulance station, and the civic center in an effort to provide continuous electrical power in times of emergency and/or disaster recovery, when operation is needed at these facilities to help the citizens of the County.
23	3011	Wakulla County Back-up Generators for Public Facilities	Shoaf, Jason	Wakulla	500,000	Wakulla County Board of County Commissioners	Purpose is to provide back-up generators at Wakulla County critical facilities (public works, library, extension office, community center, etc.) that are utilized for pre- and post disaster activities to support disaster response and recover operations.
24	3037	Miami River Commission	Duran, Nicholas	Miami-Dade	150,000	Miami River Fund, Inc., DBA Miami River Commission	To improve the economy via attracting new job generating businesses to open in the Miami River District. Private sector investors frequently contact the Miami River Commission (MRC) for free assistance in conducting due diligence when considering to open new businesses and developments along the Miami River, and the MRC assists them in reviewing applicable City Codes, Land Uses, approval processes, etc. In addition, the MRC removes garbage and invasive plants from State owned submerged lands.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
25	3089	LaBelle City Wharf Improvements - Phase IV	Donalds, Byron	Hendry	189,400	City of LaBelle	The LaBelle City Wharf project, Phase IV is a continuation of the previously funded project adjacent to the Barron Library and Park. Piers, docks, bank stabilization and sidewalks were included in previous projects. This project complete the Construction & Engineering of needed bank stabilization, pier, sidewalk, retaining walls and associated pilings. Residents of the city and the region will enjoy the benefits of the project upon completion. This phase will complete the entire project.
26	3145	State Road 20 Infrastructure Extension	Shoaf, Jason	Calhoun	2,400,000	Calhoun County Board of County Commissioners	The State Road 20 Economic Development Corridor Project will extend water, sewer and natural gas 2.5 miles along State Road 20 West as well as acquire industrial property for potential development and job creation. This will open a new level of opportunity for economic development in Calhoun County. Calhoun County was devastated by Hurricane Michael and now more than ever it is imperative to focus on economic development for the County and surrounding areas.
27	3157	Casa Familia Village Phase II	Duran, Nicholas	Miami-Dade	850,000	Casa Familia, Inc.	Funding would provide for Architecture and Design specific to individuals with IDD, Programs and Policies Consultant, Marketing and Feasibility Studies, and Supportive Services development. This would also include capital funds to plan, design and build the first two of four buildings in The Village of Casa Familia Phase II. A demonstration program for a residential community for adults with IDD who require 24/7 supervision, co-located in an enriched independent living community.
28	3175	City of Pembroke Pines Senior Transportation Program	Stark, Richard	Broward	288,000	City of Pembroke Pines	The City of Pembroke Pines, Community Services Department, Transportation Division, operates a senior transportation service free of charge. To provide more reliable and consistent transportation services for our elderly population, the City of Pembroke Pines asks the state to appropriate \$288,000 to help purchase four (4) new buses at \$80,000 each, in which the City will contribute 10% (\$32,000) through a local match. See attached summary.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
29	3179	Statewide Regional Evacuation Study Update	Burton, Colleen	Statewide	1,200,000	Northeast Florida Regional Council	The funds will be used to work with federal, state and local emergency managers to design and implement a Behavioral Study to determine evacuation behavior based on the 2016-2019 hurricane seasons; and, develop a methodology to produce an update Regional Evacuation Study including determining data needs and leveraging technological advances.
30	3183	Greater Haitian Chamber of Commerce - Operations	Brown, Kamia	Orange	187,170	Greater Haitian Chamber of Commerce of Orlando	Funding will be used for acquiring and development of the GHACC Entrepreneurial Center. The purpose of the proposed center is to serve as a neighborhood anchor that fosters innovation and entrepreneurship which will contribute to the sustainability and long term economic development. In addition the center will also contribute to the broader regional economic impact and tourism for Central Florida.
31	3185	Greater Haitian Chamber of Commerce Professional & Entrepreneurship Program	Brown, Kamia	Orange	49,900	Greater Haitian Chamber of Commerce of Orlando	The goal of this program is to enable our participants to have or achieve: 1. Healthy lifestyle. 2. Employment. 3. Develop new business. 4. Obtain Higher education. 5. Self sufficiency.
32	3263	2022 Special Olympics USA Games	Tomkow, Josie	Orange, Osceola	500,000	Special Olympics USA Games 2022 Organizing Committee	Provide operational funding to produce the largest Special Olympics USA Games in history. It will also be the largest humanitarian event in Florida's history. The 2022 Games will position Florida as a leader in the "inclusion movement"; showcase Florida as a disability friendly destination, deliver a projected economic benefit of 69+ million to Florida, and provide individuals with intellectual disabilities thousands of healthcare screenings and physician referrals at the event.
33	3397	Town of Lake Park - Downtown Parking Structure	Jacquet, Al	Palm Beach	1,000,000	Town of Lake Park	The project will result in the construction of a multi-level parking structure that comprises 300 parking spaces to serve Lake Park's burgeoning downtown. It will serve the 109 employees of Dedicated IT, an IT company that is in the process of relocating its headquarters to Lake Park, as well as patrons of Lake Park's restaurants, microbreweries and stores, helping to promote economic development in the Town. Blue Reed Management will be the Town's private development partner for this project.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
34	3449	Baker Corridor Improvement Analysis	Williamson, Jayr	Okaloosa	300,000	Okaloosa County Board of County Commissioners	This project would work to identify needed improvements from the Yellow River Bridge to the divergence of State road 189 from Hwy 4 in Baker, FL in order to alleviate severe tourism-related traffic congestion.
35	3481	Lauderhill Commerce Visitors Bureau	Omphroy, Anika	Broward	715,500	City of Lauderhill	Our area is ranked in the Top Ten Destinations for resident travelers who spend a large portion of their travel dollars on restaurants, hotels and retailers, making it advantageous for Lauderhill to develop a Commerce Visitors Bureau on our State Road 7 Corridor that will; support and expand location-based activities, strategically align public and private partnerships, provide visitors with services, and assist small and minority hospitality and tourism businesses to grow capacity and revenue
36	3499	Anderson Snow Road & Corporate Boulevard Improvements	Massullo, Ralph	Hernando	5,700,000	Hernando County Board of County Commissioners	This project will provide additional roadway capacity and enhance safety at the intersection of Anderson Snow Rd. and Corporate Blvd. with installation of a traffic signal. This project will also improve access to the Airport Industrial Park to enhance development of additional sites to provide expanded employment opportunities in Hernando County.
37	3501	Richloam Museum	Massullo, Ralph	Hernando	100,000	Richloam Museum	The purpose of the funds being requested is to build the Richloam Museum, which upon completion will be a unique educational opportunity for all of Central Florida and the state. The museum will serve to preserve the history of the early settlers of Central Florida especially the African Americans that worked in the turpentine industry. The museum will also educate youth on historical tasks through hands-on workshops. Richloam Museum will provide scholarships to local underprivileged students.
38	3547	Roads & Streets Improvement Project - Edgewood	Eskamani, Anna	Orange	344,135	City of Edgewood	River Oaks Project: Add 4 concrete Ramps (\$4370) Glen Grove Lane Project: Remove and replace curb, sidewalk 1-concrete approach and repair asphalt as needed (\$14,548) Bagshaw Way Project: Mill & Pave 2.39 SY and striping back to existing with paint (\$27,647) Lake Jessamine Estates Project: Asphalt Milling & Overlay 28,551 SQ, Risers-8 each, Striping, Traffic Control (\$297,570)

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
39	3557	Florida Medal of Honor Memorial	Pigman, Cary	Highlands	250,000	Florida Medal of Honor Memorial, Inc.	The goal of this project is multi-faceted. It will provide educational opportunities for the youth of the heartland area to inspire current and future generations about the ideals of courage, integrity, patriotism, leadership and sacrifice and to encourage them to embrace their responsibility as citizens. It will provide a public venue for local veterans events as well as a location to honor those of our great state who went above and beyond the call of duty to protect our nation.
40	3561	Okeechobee County Industrial Park Improvements	Pigman, Cary	Okeechobee	1,250,000	Okeechobee County Board of County Commissioners	Seek contractual engineering services for planning, preliminary engineering, design, permitting, bidding & construction services for infrastructure build-out of the County's 300-500 acre industrial park, located adjacent the County's airport. Includes roadways, stormwater, gas, water, wastewater, electrical, sign-age, lighting, etc. Shovel-ready facilities allows for new business development of targeted industries, existing companies to expand & new company start-ups to thrive & be successful.
41	3609	City of Tavares History Museum	Sullivan, Jennifer	Lake	200,000	City of Tavares	The Tavares Historical Society has requested that the City of Tavares develop and manage a history museum. Where the current historical artifacts are located has become too small and the building is in need of aesthetic improvements. The City has identified one of its downtown properties, an historic train depot located in its downtown, as the host site.
42	3615	Pulse National Memorial and Museum	Raschein, Holly	Orange	2,000,000	OnePulse Foundation	The funds being requested will be used to fund the design and construction of a permanent memorial and museum honoring all affected by the June 12, 2016 shooting at Pulse Nightclub in Orlando, Florida.
43	3619	Marine Research Hub	Raschein, Holly	Broward, Miami-Dade, Monroe, Palm Beach	500,000	Marine Research Hub of South Florida, Inc.	To establish a technology platform and infrastructure from which proprietary information regarding marine and oceanographic-related research may be shared between FIU, FAU, Nova Southeastern University and UM. This technology platform will allow the universities to share and build off of each other's research, collect industry-related data, determine economic impact of research and commercialization efforts to ultimately broaden MRH's global impact.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
44	3645	Manufacturing Talent Asset Pipeline	Plasencia, Rene	Brevard	580,000	Economic Development Commission of Florida's Space Coast	The Economic Development Commission of Florida's Space Coast's Talent Asset Pipeline (TAP) initiative addresses critical manufacturing talent issues by focusing on: 1. Training & Career Placement to build skills applicable to all manufacturing sectors and to fill critical voids in the workforce pipeline; 2. Image and Attraction Campaign to drive interest in manufacturing career paths; 3. Talent Recruitment Campaign to meet current / future talent demands of the technology centric Brevard region.
45	3709	Windley Key & Key Heights Affordable Housing Project	Rodriguez, Ana	Monroe	1,000,000	Habitat for Humanity of the Upper Keys	These funds will be used to complete construction on 20 units of affordable housing, located on two sites in the upper Florida Keys. These units include a combination of home ownership/rental units and will provide critically needed affordable housing to the Upper Keys workforce, helping to replace housing units lost in Hurricane Irma.
46	3725	Bay of Pigs - Brigade 2506 Museum	Avila, Bryan	Miami-Dade	3,000,000	Bay of Pigs Museum and Library 2606 Brigade, Inc.	Acquisition of lot of land next to the current facility and construction of an annex to expand exhibit and research areas.
47	3731	Opa-Locka Executive Airport Infrastructure Improvements	Avila, Bryan	Miami-Dade	1,360,975	Miami-Dade County	On behalf of the County, Embassair will develop an FBO terminal on the south side of Opa-Locka Airport, construct a taxiway to connect existing runways situated on 10.2 acres/County land, develop a retention and drainage system for the taxiway; develop utilities to the undeveloped area, and create a new public access entrance. Project will provide construction and permanent jobs due to increased activity at the airport, as well as additional opportunities for future business development.
48	3739	Sports Nutrition Center and Maintenance Buildings - Bradenton	Latvala, Chris	Manatee	1,000,000	City of Bradenton	Our goal is to renovate our Sports Nutrition Center in order to create more space and flow. This will allow baseball players and outside groups better utilization of the facility. We will also create a Maintenance/Grounds Building for these departments to efficiently work.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
49	3779	Comprehensive Home Accessibility for Floridians with Disabilities	Santiago, David	Orange	750,000	Center for Independent Living in Central Florida, Inc.	The Center for Independent Living in Central Florida proposes a pilot home accessibility program that is not restricted by age, type of disability or housing situation. Current programs that may provide partial funding for home accessibility often place undue burdens on individuals, don't provide needed items/modifications or exclude them altogether. This program would serve individuals with disabilities without regard to age, disability or housing situation.
50	3781	African American History Museum and Library at Roosevelt High School	Jacquet, Al	Palm Beach	410,000	School District of Palm Beach County	Roosevelt High School is designated to become an African American History Museum, which will also house the Historic Northwest District's first library and computer lab to provide services to under-served and under-resourced Palm Beach County students and community members. Only partial funding was awarded during the 2019-20 session, but additional funds are needed to ensure Roosevelt HS is well designed for long term use and highly functional as a multipurpose building.
51	3799	Crosswalks to Classrooms - Tampa	Hart, Dianne	Hillsborough	300,000	City of Tampa	This project will provide for safer pedestrian crossings at up to six (6) crosswalk locations adjacent to public schools in the City of Tampa. The sites to be selected will be based on various criteria, but documented safety concerns, crash history, and pedestrian and bicycle volumes will be primary considerations for site selection. Some locations may be new crosswalks, whereas some may be enhancement of existing crosswalks.
52	3855	Victory Village Rehabilitation Project	La Rosa, Mike	Osceola	250,000	The Transition House, Inc. Victory Village	The specific purpose of this project is to replace a dilapidated roof and various other delayed maintenance issues generated through a lack of cash flow on this housing project.
53	3857	St. Cloud Seaplane Base	La Rosa, Mike	Osceola	375,000	City of St. Cloud	The City of St. Cloud is in the final stages of permitting a Seaplane Lane on East Lake Tohopekaliga. Additional facilities such as fuel pumps, tie down areas, floating docks, and ramps will need to be installed to complete the St. Cloud Seaplane Base. This base is being considered as part of the St. Cloud Lakefront planning process.

54	3859	Mutter Road Connection	La Rosa, Mike	Osceola	1,900,000	City of St. Cloud	Mutter Road currently terminates at the intersection of Kincaid Street. This project will extend Mutter Road to Peghorn Way, thus creating another east west corridor connecting Old Canoe Creek Road and Budinger Avenue. This connection will allow for a secondary connection to the St. Cloud Hospital for citizens and Emergency Medical Transport Units. This hospital has requested and supports the construction of this roadway. The plans for this project are 90% complete.
55	3867	Hispanic Business Initiative Fund Outreach Program	La Rosa, Mike	Statewide	725,000	Hispanic Business Initiative Fund of Florida, Inc., Prospera	Assist entrepreneurs and small businesses to establish and grow their business in Florida.
56	3885	Online Workforce-Based Adult High School Program	Latvala, Chris	Broward	2,000,000	Smart Horizons Career Online High School, LLC	Smart Horizons Career Online Education is an AdvancED/SACS/NCA/NWAC accredited school district that serves adult dropouts that are considered underemployed and unemployed. The purpose of the program is to improve their employment and earning prospects by providing them with the opportunity to obtain an accredited high school diploma and an entry-level accredited workforce certificate. \$2,000,000 will provide approximately 1,826 FL residents with access to the program across the state of FL.
57	3891	BRIDG Operations	La Rosa, Mike	Osceola	10,000,000	ICAMR, Inc. (dba BRIDG)	For the continued operations and ramp up of BRIDG (501c6) microelectronics manufacturing development and research activities that help catalyze high-skill, high-wage jobs creation, diversify our economy, foster innovation, and support US-based manufacturing.
58	3901	City of Callaway Roadway Repairs	Williamson, Jay	Bay	2,000,000	City of Callaway	The Funds requested will assist with funding of the improvements of the City's roads that were damaged by Hurricane Michael and the debris trucks have damaged the roads, which were substandard prior to the storm.
59	3903	City of Lynn Haven Road Repairs	Williamson, Jay	Bay	2,000,000	City of Lynn Haven	The funds requested will assist with funding of the improvements of the city's roads. The debris trucks have damaged the roads, which were substandard prior to the storm.

60	3911	Florida Ready to Work	Massullo, Ralph	Statewide	3,000,000	Florida Department of Economic Opportunity	Florida Ready to Work is a scalable, research-based foundational employability and soft skills training, assessment, and stackable credentialing solution that is developing the career readiness skills of the unemployed and underemployed, advancing completion of technical training, and responding to employer demand for work ready talent across occupations and industry sectors.
61	3915	Keep Florida Beautiful, Inc.	Davis, Tracie	Statewide	800,000	Keep Florida Beautiful, Inc.	Keep Florida Beautiful aspires to create a Florida in which every community is a clean, green and beautiful place to live. We do this through empowering people to take action every day to improve and beautify their community environments.
62	3927	Rales Rides - Senior Transportation Program	Slosberg, Emily	Palm Beach	159,520	Ruth & Norman Rales Jewish Family Services, Inc.	The purpose of Rales Rides senior transportation is to enable frail, disabled seniors with limited mobility and no means of transportation to age in their homes through providing access to meaningful social, cultural, and educational opportunities that improve their overall health and wellbeing.
63	3975	Miami Lakes East ADA Pedestrian Mobility Infrastructure Project	Avila, Bryan	Miami-Dade	853,000	Town of Miami Lakes	The specific purpose that will be achieved by the funds being requested is to design and construct new ADA accessible greenways and trails, sidewalks, and bicycle facilities to provide safe and convenient non-motorized transportation to jobs, educational opportunities, businesses, commerce, and an executive airport in the Town's Eastern Business Districts.
64	3977	Pedestrian Safety on Collector Streets	Avila, Bryan	Miami-Dade	500,000	City of Coral Gables	Increased safety and health of the most vulnerable users of the public rights-of-way. Where safe paths are absent, pedestrians are often forced to walk alongside vehicles on travel lanes. ADA compliant paths of travel and curb ramps provide a safe path for those on foot or on wheelchairs and mitigate this peril. Safe paths also offer a transportation alternative, for short trips, to driving. 46% of the City's greenhouse gas emissions (ghg) are due to transportation and walking is ghg free.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
65	3979	Palmetto Bay Multimodal Transit Station	Fernandez, Javier	Miami-Dade	1,300,000	Village of Palmetto Bay	To build a multimodal station as a regional park and ride for county transit services. The park & ride will provide parking to support Miami-Dade County's Bus Rapid Transit system recently authorized on the County's neighboring Transitway. The BRT system will transport residents from as far south as Homestead to the South Dadeland Metrorail Station. The transitway currently lacks sufficient parking to support the commuter ridership. The park & ride will provide 500 parking spaces.
66	3987	Ludlam Trail Corridor	Avila, Bryan	Miami-Dade	7,000,000	Miami-Dade Parks, Recreation and Open Spaces	The funds will be used for the design and construction of the Ludlam Trail. The Ludlam Trail is a 5.6-mile greenway corridor to be used for active transportation to work, school and play for 35,000 residents within a 1/2 mile of the trail, and providing a safe route to school for more than 3,700 students. The trail connects to 5 greenways, 4 parks, 2 transit hubs, and 3 schools. It will create a significant economic, health and social benefit to the community.
67	4027	City of Opa-Locka Parks and Recreation Department	Bush, James	Miami-Dade	100,000	City of Opa-Locka	The gymnasium is in need of sound proof walls to minimize the noise when conducting community events. Resurface the gymnasium floors and purchase new exercise equipment.
68	4031	Stockton Street Emergency Generator	Duggan, Wyman	Duval	150,000	Jacksonville Association of Firefighters	To provide power to a large meeting facility during hurricanes. Hall is used by emergency responder during hurricane deployments.
69	4071	NeighborWorks Florida Collaborative - Catalyst for Florida Communities	Toledo, Jackie	Hillsborough	3,000,000	NeighborWorks Florida Collaborative	To create workforce housing, foster sustainable homeownership, provide capital for down payment assistants, IDA or mortgages and enhance community development options. The requested funds will be spent to effectively stabilize Florida neighborhoods and communities which have been physically and economically impacted by increased rates of foreclosure, disinvestment or disaster over the past 10 years.
70	4073	Tech Diversity Accelerator	Toledo, Jackie	Hillsborough	250,000	Tampa Bay Latin Chamber of Commerce	To help small and mid-sized start ups through the accelerator, which in return will bring more companies both abroad and across the state of Florida to Tampa. This will increase employment and promote diverse business ownership and employment in the region.

71	4081	Trout Lake Nature Center New Education Center	Sullivan, Jennifer	Lake	1,500,000	Trout Lake Nature Center Inc.	Provide nature-based education for the region, visitors and students. To expand programs and increase our audience we need to build additional classrooms (both indoors and outdoors), replace aging natural history museum trailer, improve road and parking system, provide outdoor ADA accessible restrooms and add smaller community meeting space. Construction would also allow for a nature play area for smaller children and provide space to offer overlapping programming.
72	4107	Florida Coastal Mapping Program - Tampa Bay Area	DiCeglie, Nick	Statewide	9,836,000	Division of Emergency Management	Develop a prioritization and strategy for providing new, high resolution data for all of Florida's coastal waters from the shore to the shelf edge. The new, high resolution data coverage of the seafloor will support numerous applications including updating coastal State maps, storm surge and coastal flood inundation modeling, evacuation route planning, identifying coastal hazards, while documenting infrastructure and beach conditions.
73	4137	City of Safety Harbor Municipal Marina Restoration Project	Grant, James	Pinellas	1,000,000	City of Safety Harbor	Safety Harbor Municipal Marina Restoration project includes sustainability improvements to construct a new seawall, decking and dredging for the usage of residents in Pinellas County.
74	4201	Doral Intersection Signalization Pedestrian Safety	Rodriguez, Ana	Miami-Dade	350,000	City of Doral	The project will construct a new traffic signal at the intersection of NW 82 Street and NW 112/114 Avenue adjacent to the City's Legacy Park. The project will provide safe crossing at the intersection for pedestrians that wish to get to the park in the surrounding residential communities.
75	4203	Biscayne-Everglades Greenway Design and Construction	Rodriguez, Ana	Miami-Dade	5,000,000	Miami-Dade County Parks, Recreation and Open Spaces Department	These funds will be used for design, construction, and construction engineering and inspection of the Biscayne-Everglades Greenway. The funding will be used to complete further trail extensions to the west after NE 12 Av. with connections to the existing South Dade Trail / East Coast Greenway along the Busway and downtown Homestead along SW 320 St. (E. Mowry Dr. and W. Mowry Dr.)
76	4215	Summer Youth Employment Program	Brannan, Chuck	Columbia	88,500	Career Source Florida Crown	The program looks to provide job opportunities for youth as well as strengthen the bond between the general public and law enforcement.

77	4227	Suwannee Water & Sewer District - Backhoe Tractor Replacement	Clemons, Charles	Dixie	83,869	Suwannee Water & Sewer District	Replace worn out CASE 580L Backhoe Tractor that is the only piece of equipment available to install, maintain, and repair drinking water and sewerage system pipelines for the community of Suwannee, Florida.
78	4237	Hallandale Beach Pedestrian/Student Safety Mobility Improvements	Jones, Shevrin	Broward	450,000	City of Hallandale Beach	The City of Hallandale Beach is overhauling their infrastructure to provide for enhanced pedestrian and student safety throughout the city. The full project includes new sidewalks, bikeways, lighting, technology and drainage structures. This request is for immediate funding to address critically needed improvements including streetlights, pedestrian crosswalks, license plate reader equipment, and signage to provide pedestrian safety to over 2000 students, teachers, and staff and their families.
79	4257	Cape Canaveral Lighthouse Keeper's Cottage - Education Center	Sirois, Tyler	Brevard	327,494	Cape Canaveral Lighthouse Foundation	Funds will be used to continue restoration activities by restoring the historical configuration of two Keeper's Cottage that existed during the period 1868-1950 into an Education Center to facilitate educational lectures and interactive programming on the Cape Canaveral Lighthouse's history to students and visitors throughout the state. Brevard Public Schools curriculum has been established as part of 4th Grade students' history requirements; however, present facilities are inadequate.
80	4259	Sarasota County Agricultural Fair Association	Gregory, Tommy	Sarasota	1,000,000	Sarasota County Agricultural Fair Association, Inc.	Capital Improvement funding supporting the utilization of facilities and grounds for emergency services. Specifically, paving enhancements for improved circulation and movement of manpower, materials, and trucks for FPL power and/or restoration services. HVAC replacement for Roberts Arena to ensure adequate ambient temperature for either emergency service personnel (FPL, Red Cross, EOC, DOH, etc...) and/or evacuation or shelter activities post event.
81	4321	Punta Gorda Airport Taxiway "E" Extension and General Aviation Ramp	Grant, Michael	Charlotte	1,950,000	Charlotte County Airport Authority	Extending taxiway "E" and building a new ramp are required to develop new GA facilities and prepare shovel-ready space for new aerospace and aviation-related schools and businesses. Relocation of GA operations to the north end of the airport is also necessary for commercial airline facilities to expand its current footprint.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
82	4327	Suncoast Humane Society Capital Campaign	Grant, Michael	Charlotte	1,500,000	Suncoast Humane Society	Suncoast Humane Society exists to reduce the number of homeless animals and improve the quality of life in our region. Suncoast Humane Society is one of Florida's few "open admissions" animal shelters and is committed to never turning an animal away regardless of health, temperament, age, size or breed. We have launched a critically needed capital campaign to build a facility after purchasing 11.5 acres of land. We have raised \$5,040,000 million towards a campaign of \$10 million (hard costs).
83	4367	Center for Commerce, Education & Culture	Watson, Clovis	Alachua	6,350,000	Tee Foundation Assistance Network, INC. (T-FAN)	Make the east side of Gainesville and Alachua County a "Destination Location" by building a quality, attractive facility/campus to give people an exciting reason to want to come to the East. Bring goods, services, business, educational and social opportunities that currently do not exist in this target area. Reduce the profound economic disparity that exists between the majority population and minorities which are substantially located in the east side of Gainesville and Alachua County.
84	4401	Neighborhood Traffic Calming Plan – Phase I	Jones, Shevrin	Broward	300,000	City of West Park	This project will address neighborhood traffic calming with the overall concern for safety on local residential streets. Traffic calming will include the redesign of streets, traffic circles, street humps, chokers, roadway striping, median closures, speed lump/speed cushions, textured pavements, Center Island narrowing, and other traffic calming improvement elements.
85	4491	Cuban Studies Institute - Professional and Economic Counseling	Avila, Bryan	Miami-Dade	400,000	Cuban Studies Institute,	Informing and advising Cuban-Americans on education, business opportunities and employment. The purpose is to facilitate Cuban-Americans incorporation into American society.
86	4589	Groveland Train Depot	Sabatini, Anthony	Lake	189,313	City of Groveland	The initial expected benefit would first be the preservation and renewal of a historic structure within the City. The renovated site will act as a catalyst for future private sector investment in the downtown area. The operation of the facility will increase commercial activity and employment opportunities for the City's residents.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
87	4605	Miami-Dade County Electric Automated Side Loading Garbage Truck	Pritchett, Sharon	Miami-Dade	600,000	Miami-Dade County Department of Solid Waste Management	This request will allow the DSWM to provide residential waste collection service with a more environmentally friendly truck. The fully electric side loading garbage truck will enable the department to collect data and prepare analysis on the savings of fuel, tires, brakes and all other maintenance to determine when the break-even point is on a zero-emission vehicle.
88	4609	Riley Research Center - Defenders of Democracy	Eskamani, Anna	Leon, Seminole	180,000	John G. Riley Foundation Inc.	Defenders of Democracy will enable the 2nd Infantry regiment United States Colored Troops, established in 2012 in Tallahassee as a voluntary living history project, to expand its reenactments and school site encampments, history lessons, and educational seminars for adults beyond the Panhandle to other regions go the State. Students and adults will be engaged in activities that teach and demonstrate the importance of the military to our survival as a Democracy - Civil War to Desert Storm.
89	4635	John F. Kennedy Bunker & Cuban Missile Crisis Educational Exhibit	Jacquet, Al	Palm Beach	1,250,000	Port of Palm Beach	The requested funds will allow for the restoration and renovation of the John F. Kennedy bunker, located on Peanut Island, which is located in the City of Riviera Beach. Once restored, the bunker will become an interactive museum, showcasing John F. Kennedy and his actions during the Cuban Missile Crisis.
90	4713	Autonomous Transit AV Technology, Workforce and Economic Opportunity	Yarborough, Clay	Duval	2,362,000	Autonomous Transit	The funds will be spent to invest in innovative transportation technology by bringing three AV shuttles to NE Florida and create the first working laboratory and research center of this technology anywhere in Florida. To further promote and accelerate the State and NE Florida's leadership in this technology, Autonomous Transit will share the data and research with universities in the area. This will help FL become leaders in this technology thus creating a new economic and workforce opportunity
