Mr. Ken Kenworthy, Superintendent
Okeechobee County School Board
700 SW 2nd Avenue
Okeechobee, FL 34974

Dear Mr. Kenworthy:

I welcome the opportunity to discuss continuing the strong working relationship relative to legislative affairs that we have enjoyed among the Treasure Coast districts during the past 14 years. As you know, my intent for FY19 is to keep the same level of services and information flow to and from Tallahassee. I would propose continuation to work collaboratively on those issues common to the Treasure Coast workgroup that is comprised of Martin, Okeechobee, Palm Beach and St. Lucie Counties. My hope is to do whatever may be possible to continue the TCW as I feel it has been effective in getting our issues considered by regional and state organizations as well as providing unified support for our local delegation members.

Also proposed is assistance to you and the Board in developing both a school board program and providing written points and assistance to the Okeechobee County team in your advocacy at the local level and in Tallahassee. At this point, I will be in Tallahassee for pre-session committee weeks and weekly during the 2019 session as warranted. Today's technology will allow monitoring and direct input as needed, otherwise.

Services to be provided by SCGI:

- Coordination with the Treasure Coast Workgroup Board representatives, superintendents and designated staff in the development, preparation and pursuit of mutual legislative issues for 2019, both federal and state, for School Board approval and dissemination;
- Assistance with Treasure Coast district representatives on joint legislative issues prior to and/or after the regular Florida Legislative session in 2019. Such meetings can include pertinent federal issues for Congressional Delegation;
- Copies of the "Know Your Legislator" booklet for Board Members, Superintendent and designated staff;
- Periodic written and verbal reports to Board Members and Superintendents including a tracking chart of all bills potentially affecting PreK-12 education updated bi-weekly before the session and weekly during the session with a wrap-up upon adjournment;
- Distribution of "FYI's" from sources available to SCGI concerning state and federal issues to Board Members and the Superintendent on a routine basis;
- Assistance as requested by Board Members and staff with individual legislators locally and in Tallahassee during the session and pre-session committee meetings;
- Wrap-up session on results of the regular Florida and Congressional sessions;
- "24/7" availability for questions/input on issues during 2019 Florida Legislative session; and

- Attendance, upon request and as scheduling allows, at various meetings involving collective Treasure Coast school district interests.

Support Needed from Treasure Coast School Districts:

- An overall primary contact plus a main contact for each district to receive and disseminate documents, FYI's (E-mailed);
- Directory of key representatives of participating districts and after-hours contact numbers for possible use during the session; and
- Ability to analyze and provide feedback (immediate during the session) on impact to the district of specific bills and appropriations proposals.

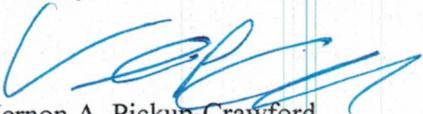

Based on the continuation of a joint legislative agenda with the other districts, the fee would be \$2500, the same as FY18.

If the Board and you wish to consider an expanded legislative effort, I will be glad to discuss options with you.

Meanwhile, please let me know if you have any questions or any suggested changes to this proposal. I look very much forward to working with you in the coming school year.

Sincerely,

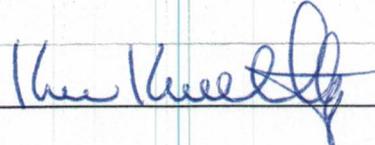

/s
