Dear Mayor Cathey:

Thank you for your decision to let Akerman LLP and I (Ashlee Tising) represent the City of Mexico Beach (City) in relation to Hurricane Michael relief efforts before the Florida Legislature. We look forward to working with you.

This letter constitutes an agreement between Akerman LLP and the City of Mexico Beach. The terms are as follows:

1. Under the direction of the City, Akerman LLP will perform all legislative representational lobbying activities relating to Hurricane Michael relief, which includes and is not limited to:
  1. Working with legislators, committee staff, state agencies, and other interested parties;
  2. Following bills and appropriations of interest
2. The agreement will begin December 1, 2019 and will run through June 30, 2020.
3. Given the fact the City is still recovering from the aftermath of Hurricane Michael, Akerman LLP will provide these services *pro bono*.
4. Akerman LLP will provide weekly activity reports, as well as notification of any relevant legislative developments from the beginning of this engagement through the end of the 2020 Regular Session, which begins January 14, 2020 and ends March 13, 2020. The City can request additional reports or information at any time. Akerman LLP professionals will visit the City at least once a year for consultations.
5. Invoices will be sent out the first of each month and are due upon receipt.
6. Akerman LLP shall be responsible for preparing and filing all lobbying reports required by Florida Sunshine Laws.

8. All press inquiries are the responsibility of the City.

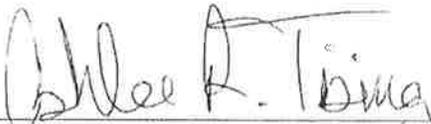

9. These terms can be amended by agreement of the parties.

If you find these arrangements acceptable, please sign this agreement below and return one copy to me in the Tallahassee office.

Again, thank you for retaining Akerman LLP. I look forward to working with you.

Sincerely,

Ashlee R. Tising
