Re: Legislative Representation of Lealman Fire District
before the 2020 Florida Legislature

Dear Division Chief Millican:

Thank you for considering MBDV in the provision of legislative services to the Lealman Fire District (District). As discussed, this letter will serve as a proposal of the terms under which MBDV will provide legislative representation during the 2020 Legislative Session, and any special sessions, related to the provision of services outside the District's boundaries.

Fees are based upon the ethical rules. The amount of the District's statement will be the fair value of the services provided taking into account the time spent, the type of service being asked to perform, any special level of expertise required, the size and scope of the matter, the results obtained, and other relevant considerations. MBDV proposes an hourly rate of \$250.00. The District will be provided the most effective support systems available, while at the same time allocating the costs of such systems in accordance with the usage of the services by individual clients. Therefore, in addition to fees for services, the District will also be charged separately for certain costs and expense disbursements, including travel expenses; messenger, courier and other communication costs; document reproduction; and computer research facilities.

Billing statements will be rendered on a monthly basis and are due and payable upon receipt. Every effort will be made to include disbursements in the statement for the month in which the disbursements are incurred. Some disbursements are not available until the following month in which case a supplemental statement will be rendered for these additional charges.

Please indicate your understanding of the agreement to the above-described engagement by signing and dating this letter in the spaces provided below. Also, your execution of this letter signifies your agreement that I may disclose fees paid in accordance with Florida's Lobbyist Financial Disclosure laws.
