Re: Legislative Representation of North Collier Fire Control and Rescue  
District before the 2020 Florida Legislature

Dear Deputy Director Freiburg:

Thank you for considering MBDV in the provision of legislative services to the North Collier Fire Control and Rescue District (District). As discussed, this letter will serve as a proposal of the terms under which MBDV will provide general legislative representation on issues that may impact the District during the 2020 Legislative Session, and any special sessions, including but not limited to revisions to chapter 401, Florida Statutes, provision of services outside the District's boundaries, and the State of Florida's emergency response reimbursement process.

Fees are based upon the ethical rules. The amount of the District's statement will be the fair value of the services provided taking into account the time spent, the type of service being asked to perform, any special level of expertise required, the size and scope of the matter, the results obtained, and other relevant considerations. MBDV proposes an hourly rate of \$225.00 for shareholders and an hourly rate of \$200.00 for associates. MBDV uses associates and paralegals whenever advisable so we can provide legal services more economically. The District will be provided the most effective support systems available, while at the same time allocating the costs of such systems in accordance with the usage of the services by individual clients. Therefore, in addition to fees for services, the District will also be charged separately for certain costs and expense disbursements, including travel expenses; messenger, courier and other communication costs; document reproduction; and computer research facilities.

Billing statements will be rendered on a monthly basis and are due and payable upon receipt. Every effort will be made to include disbursements in the statement for the month in which the disbursements are incurred. Some disbursements are not available until the following month in which case a supplemental statement will be rendered for these additional charges.
